SPIRIT

Bringing Us Together

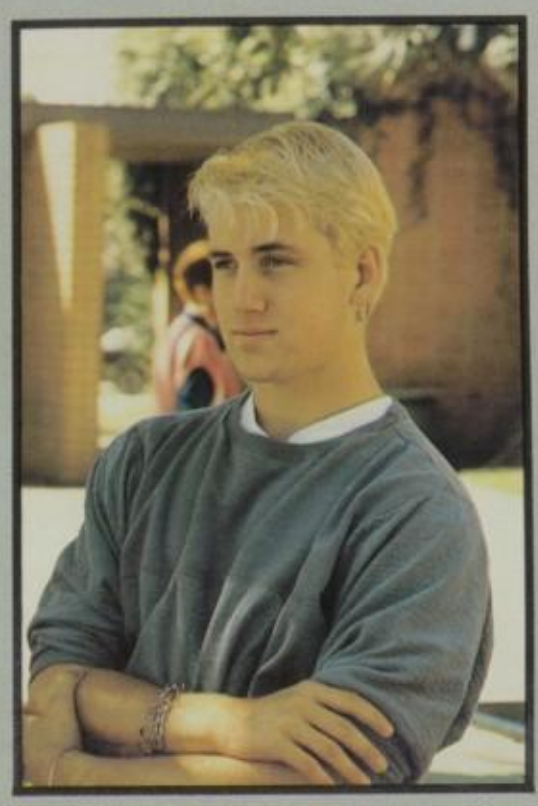
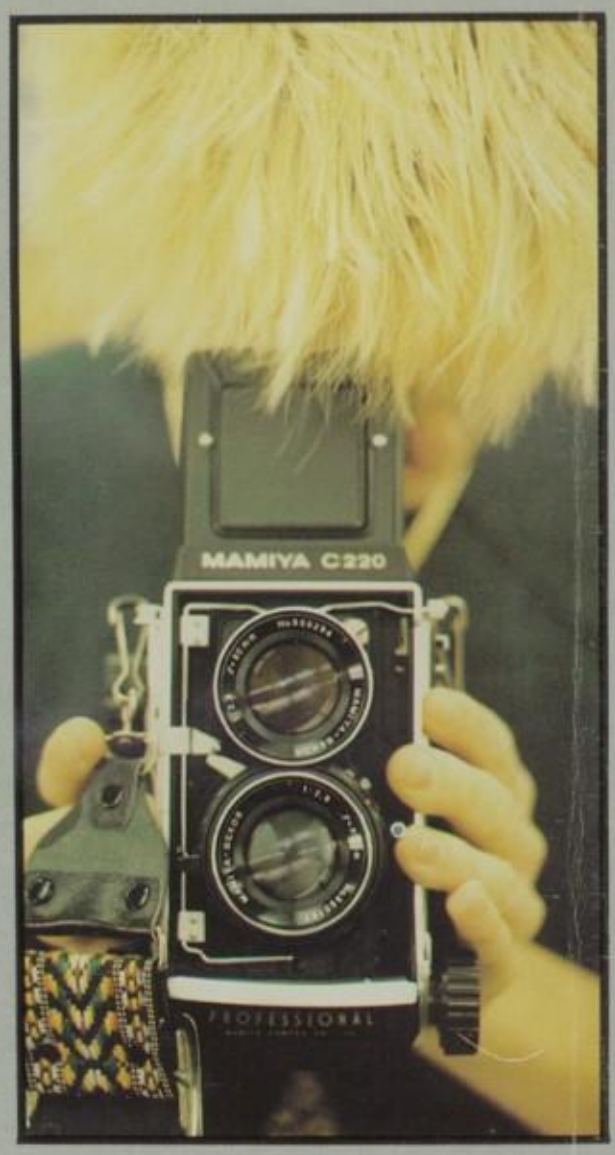
Some say that school spirit is found in the school itself, and it's true. 61 years worth of spirited teenagers running through the halls is bound to have some effect. But doesn't it sound more appropriate to say that the spirit is found in the student body? In the hearts of Seniors and Freshman alike? It does, and BOHS has never seen four more spirited classes on its campus since the day it was erected. The school spirit stands out, too. The campus is cleaner than it has ever been, and "Good Luck" signs cover the walls. Sporting events draw huge crowds, and pep rallies are as crazy as ever. But nothing boosts our spirit more than one important thing, Tradition, and Breans will do anything to keep that tradition alive.

These three Sophomores show that they obviously have a lot of freshman still left in them.



A smile arises on Mike Carpenter's face as he thinks about the approaching weekend.

Chris Fuher diligently focuses on a subject for photography class.



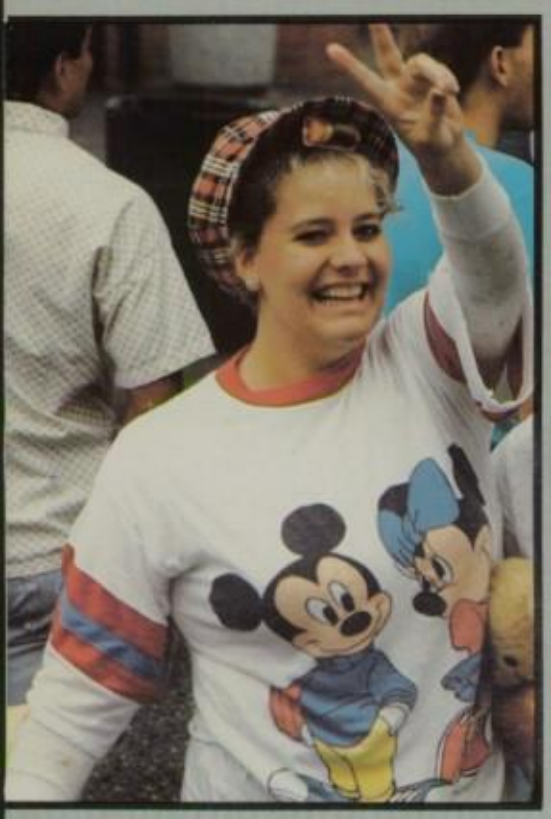
"Say Heavy Metal" says "big Photo Man," Ken Love.

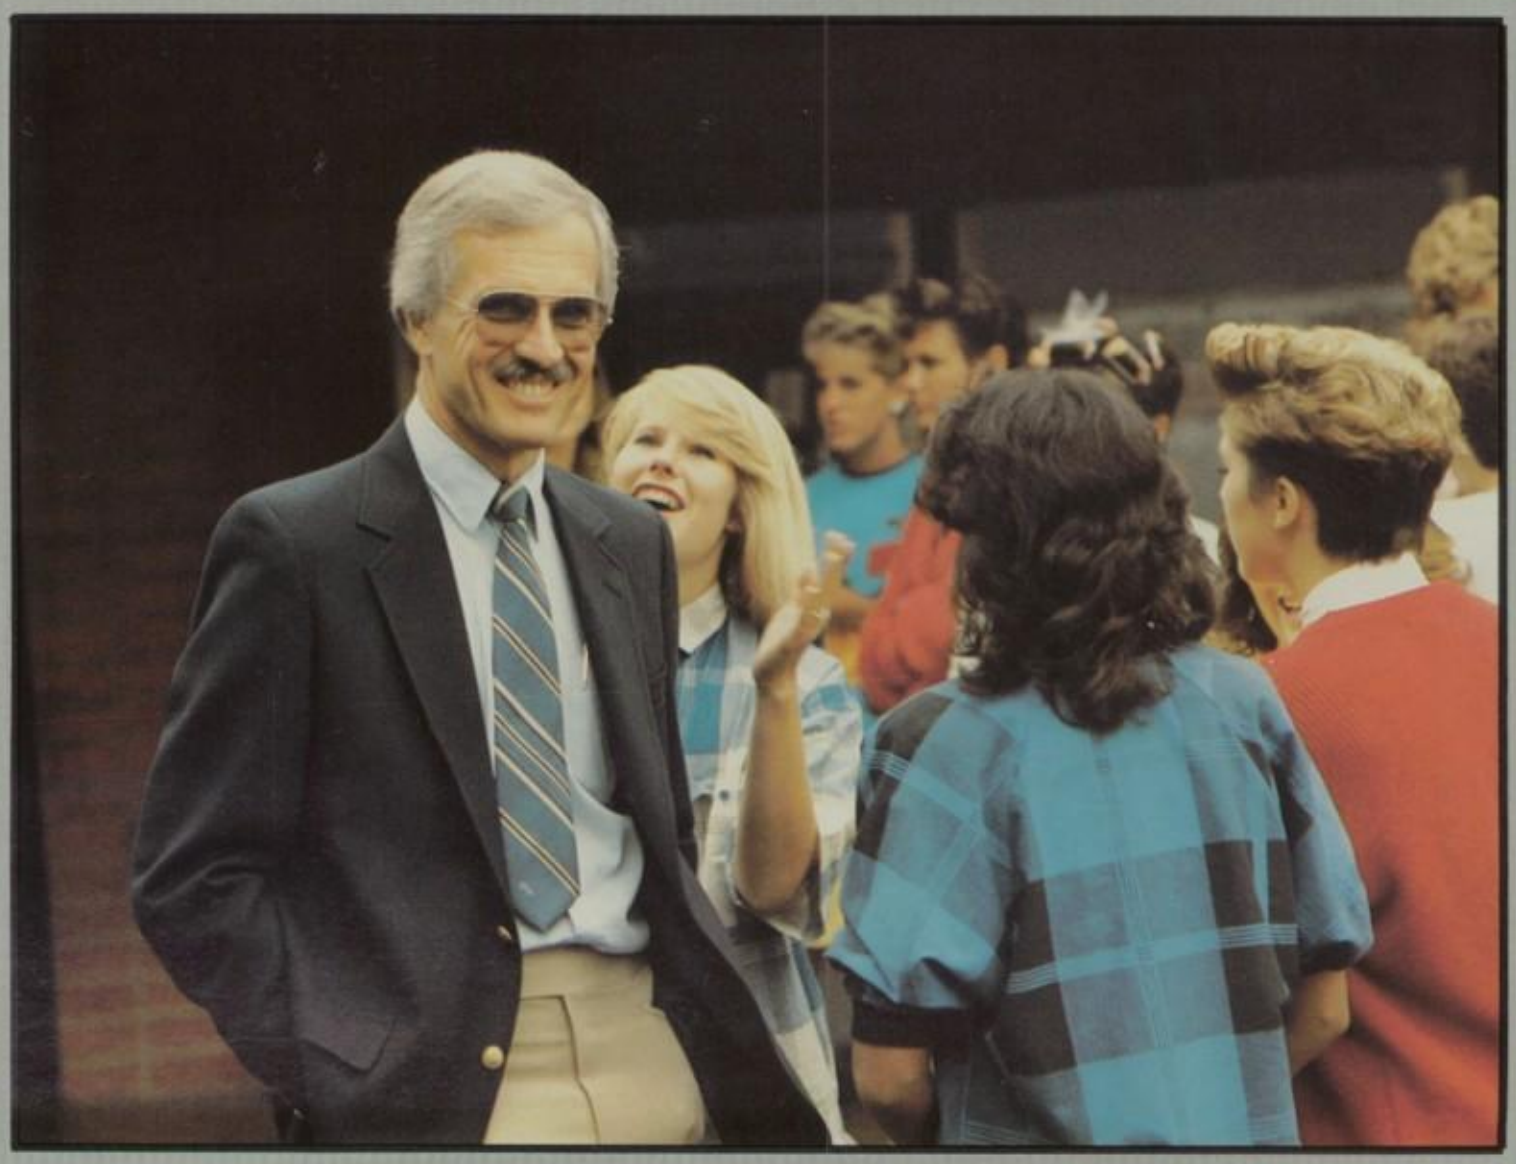
"Oh, look, I bet he's taking our picture for the yearbook!"

These seniors are showing that they have succeeded in "Catching the Spirit".

"Come on Inci, Smile! The pictures of three friends, hamming it up always get in the yearbook!" exclaims Katie Lang and Robin Hill.

"Hey Debbie Chase! Nice PJ's!"





"Aww shucks, girls. I'm not that great" says Mr. Goff as Allison Miller and friends shower him with praises and admiration.

The Barker sisters pose for a quick shot.

Cindy Scott and Tiffany Harper patiently smile while the photographer focuses the camera.

"Wait! Wait! We haven't assumed our COOL positions yet!" exclaim members of the Varsity football team.

"Wow," thinks Kelli McIntyre, "he's gorgous!"

SPIRIT

Bringing Us Together

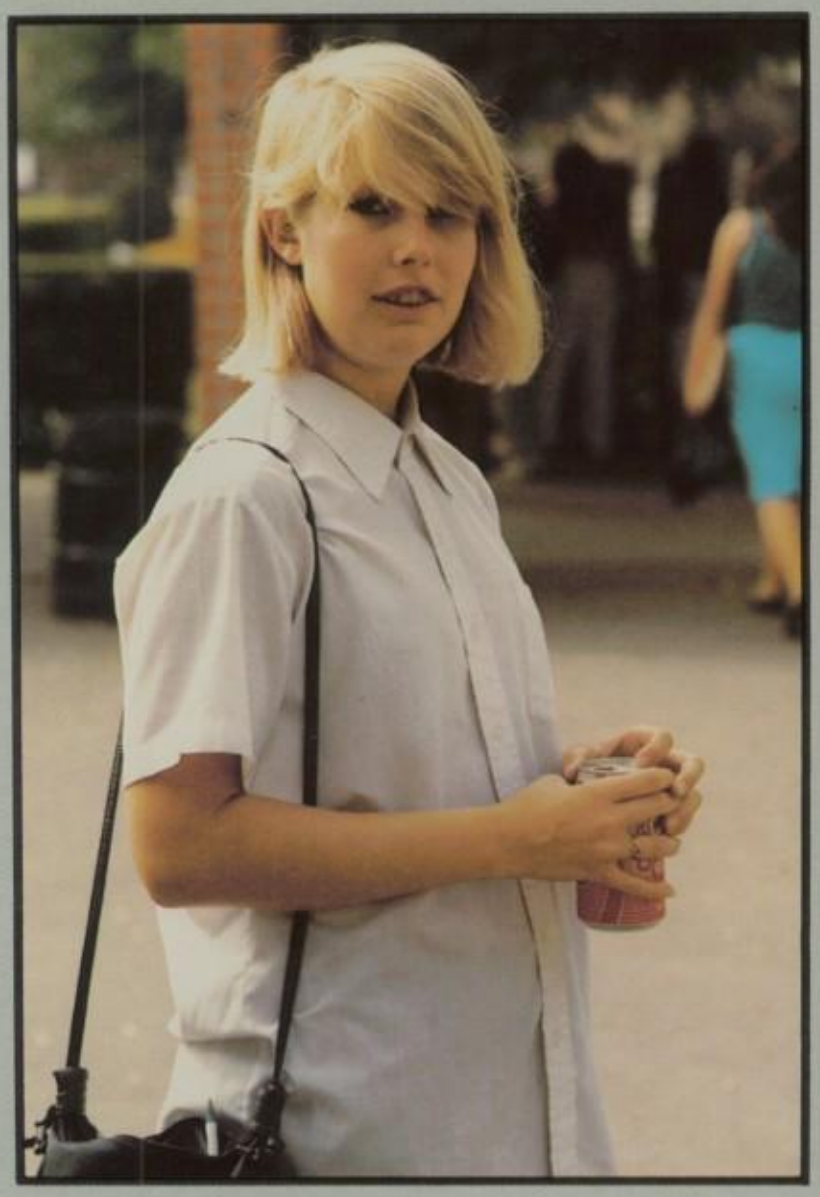
There are a lot of things one cannot do alone, one of which is make it through high school. The four years of our life that high school occupies will hold some very trying times. Somebody needs to be there, and usually someone is there. Either its a friend, a teacher, or even a stranger who is willing to help. High school is "being together", and without someone else to share the joy or the grief, things wouldn't be the same. We all need to work together in school, in class and out. If we could manage that, these four years will hold some really good times. Let's stick together and make the most of our time in high school.

SPIRIT

Bringing Us Together

High school is memories. When we leave Brea Olinda, rememberance of the "good times" will seem far more important than all the things we learned during our four year stay on campus. All these memories won't automatically be good though. We have to MAKE good memories, and that's not hard. Depending on what you make of it, high school can be lousy or it can be great. Let's try to make the most out of high school, creating more memories than our brains are able to hold.

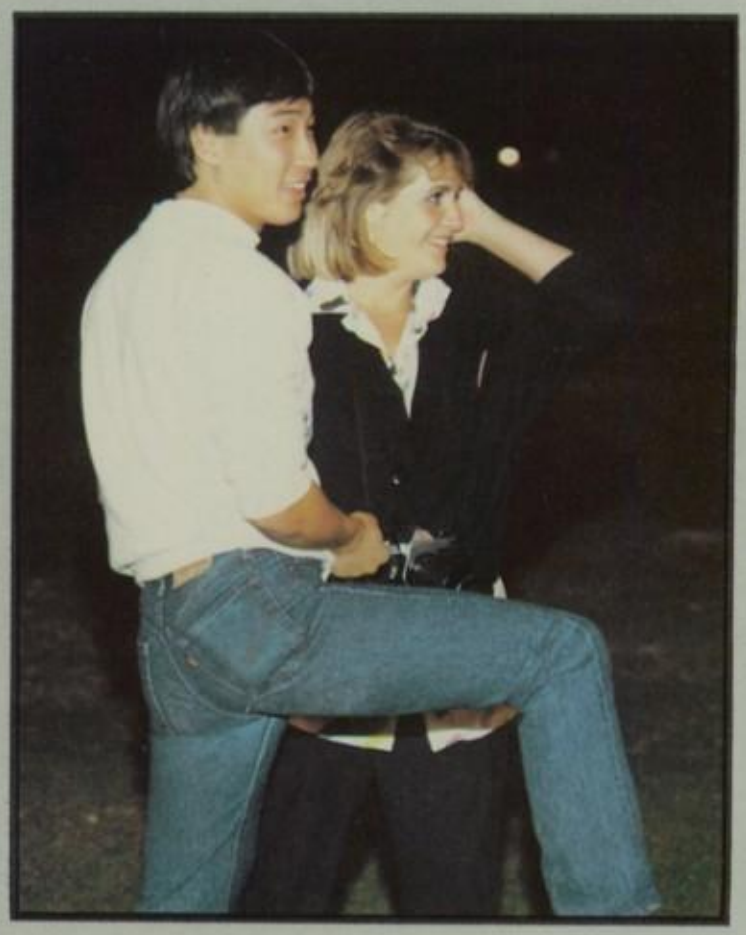
These two freshmen grin at photographer Ken Love's attempt to warn them about being in Senior Square.



Allison Miller grins as she recalls someone telling her that Cherry Coke tastes good.

Lorraine Castaneda and Gina D'Angela pose for a quick shot for Pajama Day.

"Hey guys! can I be in the picture too?" wonders Kathy Karapetian as Stacy Bernardino and Lisa Joslin jump in front of her.



Cheerleaders Lisa White, Nicole Davis, and Nicki Sizemore show their best grins to the photographer.

Richard Lee and Kim Oden talk on the field during a Friday night game.

This conversation is so boring that I think I will take a little snooze while standing. I'll just smile to make him think I'm awake.

The 1985-86 Homecoming Court

This year's Homecoming Spectacular seemed to involve the entire student body and really showed why this year's theme was "The Best of Times". To begin the evening's activities, the sophomore class won the A.S.B. float competition. There was the annual parade down Birch and Brea Blvd., and each class entered the float competition with new and unique ideas. Among excitement filled air, Robin Hill was crowned the 1985 Homecoming Queen along with her court of princesses, Peggy Giboney, Katie Lang, Jenny Mendez, and Stacey Tackett. The girls were chosen based on poise, personality, school involvement, and appearance. All of the girls actively participated in school functions throughout the year. The Homecoming game against Magnolia ended in a spectacular victory and the ritualistic dance at the Civic Center provided entertainment and fun for all who attended, truly making the evening one of "The Best of Times".

Left to right, top to bottom

The Sophomores' float "These are the Best of Times," wins 1st place in the ASB competition.

A special congratulations to Queen Robin Hill from two very special friends, Andrea Bastianelli and Lori Helmer.

Returning 85 Queen, Kim Carl, crowns a very surprised Robin Hill, while escorts Craig Julien and Tony Barcelo look on.

Spirit

Bringing Us Together

Seniors

What is the most lively class at BOHS? The senior class, of course! Why? Who knows, but they are. It seems the longer you stay at BOHS, the crazier you get. Maybe they are anxious to get out. Maybe there're not. Maybe they don't care. Maybe it's a phase. Maybe its a disease. Maybe it's a hypnotic reaction. Maybe it just happens. More than likely, though, it's none of the above. The answer? Spirit. Seniors have spirit and they use it in the right way, to have fun.

LETTING OUR SPIRIT SHINE

Senior Class Of 1986

SURPRISE! That one word could summarize the whole Senior Class of '86. Everyone knew that this class was in some way unique from all others. We had Style! And most of all, we had Spirit! To prove our point, the Seniors started off with a Back to School Toga and doughnuts for everyone who participated. Following that, a more casual pajama day was born. From that, theme of "The 18th Day" was Created. Graduating on the 18th of June inspired the Seniors to Dress-up the 18th of every month. The Senior class officers **Tiffany Harper, Robin Hill, Jenny Frees, Julie Rios,** and **Debbie Chase** aranged the Winter Formal, held at Irvine Heritage Park, which occured during the middle of the school year, the senior slide show, the senior video, and, of course, the Prom and grad. nite. Although our time together is growing short and we will soon be going our own ways, the class of '86 made a mark on Brea-Olinda which will last forever. Our fun and games, laughs, and cries, hopes and fears, dreams and tears, made up our class. The class of '86, which will be remembered as a class that grew up and ended with style and spirit.

Organizations

Could you imagine having no Sadie Hawkins dance? No play? No newspaper? What would school life be like without a Yearbook? Without cheerleaders? Without Pep Club? Could you imagine not having clubs like Key Club? Mecha Club? Speech Club? Lettermens' Club? No Interact? No Foreign Language Club? Well, we could safely say that school would be boring! But luckily we don't have to worry about those problems, because our school has so many different organizations that we keep as busy as we need to be!

STAFF *Yearbook* KEEPING THE

This year's yearbook staff consisted of 25 hardworking students. They were full of fresh, vibrant ideas for the 1985-86 yearbook which proves to be an annual success. Mrs. Gahr the yearbook advisor, and editor **Jim Hudak** worked together in aiding the other staff members with their layouts and encouraging everyone to do more than their best. All of the yearbook workers had a great deal of responsibility, and all held out well under such pressure. By meeting their deadlines and selling ads and unused pictures, they were able to produce an exciting and colorful yearbook. Congratulations yearbook staff!

ASB *Spirit* BUILDING SCHOOL SPIRIT

ASB did a fantastic job this year of renewing school spirit. Their goal was to prepare for a good transition to the new high school. By planning activities that involved every student, such as pep assemblies, after game dances/movies, motivational speaker, Dan Clark, special teacher appreciation, a multi-media presentation, and an all school appreciation week, the Associated Student Body was able to ignite school spirit and make the 1985-86 school year a memorable one. Also, by promoting a clean campus, ASB managed to help solve the problem of litter. Meetings were held every day and the minutes were posted to inform all students of any upcoming event or plan. Each ASB member was truly an individual and showed it by their willingness to work hard and get things done, which ultimately made Brea-Olinda a great place to be.

PLAY *Production*

CHARLEY'S AUNT

Once again, our BOHS Drama Department has produced an excellently performed play. This lively 19th century play, "Charley's Aunt," is about a man who poses as an elderly aunt in order to chaperon the courting of two young ladies, but when the real distinguished aunt arrives on the scene, many humorous complications arise. The play was in impeccably cast, as the actors own rendition of the play enliven the already hysterical script that left the audience rolling with laughter. Under the guiding hand and watchful eye of Janet Kolb, Play Production advisor, the play ran smoothly. The BOHS Drama Department is one of the many areas of our school which has continued in its tradition of excellence and of school spirit.

Student directors **Tracy Acosta** and **Lynne Pregenzer** discuss the script of "Charley's Aunt."

"You rang, sir?" asks Brasset (**Barney Evans**) the stuffy gentleman's gentleman.

Ela Delahay (**Janene Simon**) can hardly contain her surprise over seeing "Donna Lucia smoking a cigar.

"To Whom It May Concern . . ." dictates Jack Francis (**David Leper**) to Charley Wickam (**Randy Feldman**) who is listening intently for more.

So, [illegible] inquires the real Donna Lucia (**Tracy Oman**) of Lord Fancourt Babberly (**Tony Comstock**) who finds himself on the spot.

GIRLS' *League* ENTHUSIASM

Girls' League, in keeping with tradition, was off to a great start this year and continued to show pride and enthusiasm throughout the year. Under the leadership of their advisor Pat Fox, President-Peggy Geboney, Vice-President-Tracy Oman, Secretary-Christee Jacoby, and Treasurer-Liz Mason, Each cabinet member managed to offer new and exciting ideas for organizing and executing their activities. These activities, such as Freshman orientation, the Hellodance, Homecoming, the CO-ED, the Father/Daughter Social, the Mother/Daughter Social, and the New Girls Party, all contributed to Brea Olinda's feeling of unity. Also, Girls' League sold popcorn at every home football and basketball game. The cabinet sponsored community functions, as well, such as TLC luncheons, Children's Halloween window painting, and the Christmas tea for the faculty. Meetings for all girls were held each week to provide an opportunity for any girl to be involved with upcoming events. Each member showed an excellent example of teamwork, companionship, and responsibility, which, for Brea Olinda, is the true meaning of a Wildcat.

Club KEY

Youth Serving Youth

A new addition to the list of clubs here at Brea Olinda is the Key Club. The Club's goals, projects and programs are to help students at this school. "It's a caring club that stresses drug/alcohol free activities." said advisor and organizer **Lesley B. Rodriguez.** One of the programs the club is involved in is the "peer counseling program" which enables students who attend morning and after school sessions to learn counseling skills and techniques so they can be of assistance to the Guidance Office, Attendance Office, and the school nurse. The club also has a "Staying Alive Program" which demands special training. Trained teams from this program will present a video demonstration to ninth graders in their Basic Academic Skills classes during the substance abuse unit. The main idea for this program is to teach young people to "Stay alive" in a society where drug and alcohol abuse is prevalent. Another program is called "Operation Newcomer." In this program peer counselors are attempting to meet and greet every new student to this school. The program is an attempt to help students' move a lot easier by showing them around campus and getting them involved with clubs and other school activities. President **David Bailey** said, "This is a great group of students and they are a pleasure to work with."

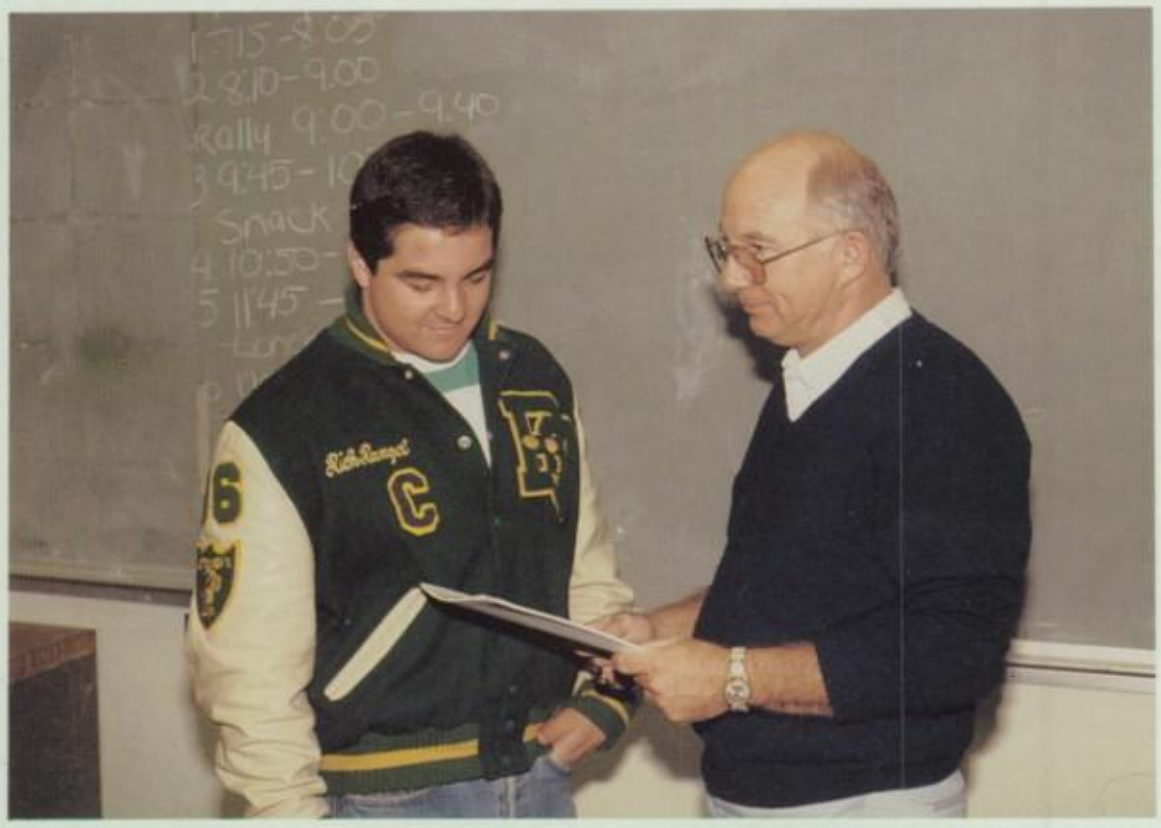
Superior Athletes Support Athletic Program

CLUB *Lettermens*

Richard Rangel, President; **Sefie Vargas,** Vice President; **Mike Bogosian,** Secretary; **Daryl Carlson,** Treasurer; **Jeff Harris,** Activities Chairman; **Mike Gegus, Jeff Searles, Bill Cruz, John Peppler, Kevin Walker.**

The Letterman's Club is made up of some of the best athletes attending Brea Olinda High School. This group helps sponsor the sports program by providing services to the athletic department as well as to the student body. A basketball tournament is held by the boys, and the proceeds help fund some extras for the athletic program. The members of the club also work in the snack bar at all of the home games. At the end of the year the group hosts a Thank You banquet where Coach of the Year is chosen. During this year they also had a pizza sale to help raise money. So, this club of young leaders performs quite a service to our school throughout the year. Organizer and advisor **Ken Reed** feels that "it is an honor to wear the shield of the Letterman's Club, and this is a great group to be working with."



President **Richard Rangel** talks to **Mr. Reed** about up-coming events and ideas.

John Peppler puts his arm around his favorite fan, while thanking her for supporting all his efforts and coming to all his games.

Club MECHA

Preserving Mexican Heritage

Mecha Club, which was established on the BOHS campus in 1983, is a club whose membership is open solely to students of Mexican heritage.

Mecha, which stands for "El Movimiento Estudiantil de Aztlan", is, to quote club advisor Mrs. Cram, "A student movement of Chicano youth dedicated to participation in school activities and preparation for further education.

To serve this purpose, the club held many parties and fundraisers this year including their annual carwash.

When most people think of speeches, they think of dry, dull, boring lectures, but this is not the type of speaking done by the Speech Club here at Brea-Olinda. The members of Brea's Speech Club are in four different speech categories during competition this year: persuasive, impromptu, humorous interpretation, and dramatic interpretation.

Many weekends during the year, the Speech Club participated in competitions sponsored by the Orange County Speech League, and in nationwide competitions sponsored by service organizations such as the VFW, Lion's Club, and Kiwanis. The winners of the service club competitions received cash prizes. Cash was also offered to the speech club by the Brea Lion's Club in the form of three $200 scholarships in order to promote the speech arts. The scholarships were given to the most improved speaker, the most active speaker, etc.

Club advisor Janet Kolb proved invaluable in coaching the club to prepare the members for each competition, and helping them have an outstanding year.

CHEER *Varsity* KEEPING SPIRIT ALIVE

Waking up at the crack of dawn is how this years "85-86" Varsity Pep Squad started the year off at BOHS, in training for their routines, which were done at a cheerleading camp at U.C. Irvine. They were awarded superior ribbons and arrived home with the honorable "Spirit Stick."

As the year began with the first kickoff, the Varsity Pep Squad began by cheering at at least three activities a week, performing in pep rallies throughout the school year, and making signs and cookies for our BOHS teams. The squad has accomplished a lot throughout the year with the help of new advisor **Carolyn Zehner** and head yell leader **Jenny Frees,** and head song leader **Tracy Oman.** With the help of these leaders, the Varsity Pep Souad was able to perform in the Clippers' half-time. Accomplishment seems like a great way to describe BOHS's Varsity Cheerleaders.

Grinning for the camera, the Varsity Pep Squad show that they do have a good time.

The 1985-86 Cheer/Song leaders wore bright smiles as they performed both cheer and song routines at games, rallies, and competitions. The squad, under the direction of Karen Gramberg, made encouraging signs that boosted all spirits. Their hard work and dedication was apparent as they cheered JV teams on to victory. The pep and enthusiasm that they have will be something to look forward to next year.

BAND *Marching*

MARCHING WITH STYLE

This year held many new ideas and activities for the '85-'86 Brea-Olinda marching band. Under the direction of **Mr. Malotte,** and with the help of drum majorette **Sari Barnhard,** our band marched itself into many competitions and field shows. To raise funds for future events, the band sponsored a haunted house for Halloween. During spring break, they also flew to Hawaii to compete in the Hawaiian invitational. This year also welcomed incoming girls for the new color guard dance division. In addition to this, tall flags also were a part of the band. Hats off to the Brea-Olinda wildcats marching band!

CLUB *Foreign Language* We Are The World

Advised by **Brigitte Little,** The Foreign Language Club continued to be one of Brea—Olinda's most involved organizations. This year's officers were presidents, **Dawn Holland,** and **Kristen Olsen;** vice-presidents, **Jenny Tuffley** and **Karen Carlson;** secretary/treasurers, **Julie Harrison** and **Tracy Harrison.** This year's group went on many fieldtrips to places of cultural interest such as Alpine Village for Oktoberfest, the Getty and Pacific Asia museums, and foreign language camps in the mountains. In addition to the fieldtrips, the club also sponsored a Halloween and a Christmas party. Also, as every year, the club worked on fund-raisers to help support a little Sioux Indian girl inflicted with cerebral palsy. Overall the Foreign Language Club had a fun and successful year.

The words hard-working and dedicated best describe the Theater Tech Crew. Behind the scenes, led by Mr. Zoeckler, they helped to make many of Brea—Olinda's stage productions successes. The ASB play, band concerts, and Vocal Music productions, were all manned by the crew. Manipulating lights, raising and lowering the curtain, moving props, and caring for the sound system were all duties performed by the "Techies".

EXPLORES CAMPUS ISSUES

Despite its small size, the Wildcat Staff effectively informed the administration, faculty and staff and student body on pertinent issues, both on the local and national level.

Led by editor **Erik Wedin** and advisor **Dorcas Hufferd,** the Wildcat wasted no time in addressing the issues. The first issue saw editorials on topics such as the possibility of rating or censoring records and AIDS victims in public schools.

"We want to concentrate on campus news, but there are often national issues which pertain to the general student body," commented Wedin, now serving his second year as editor.

Members of the general student body also found the Wildcat to be the voice for expressing their opinions. For the second year, the Wildcat continues the "Speak Out" column. Each issue six students were picked at random and asked their opinion on a timely issue. 1985-86 also saw an increase in letters-to-the-editor, reflecting student concern. "I was very pleased with the letters we were getting," said Wedin "in the past response to our articles had been pretty minimal."

Assisting Wedin with editorial duties were: News page editors **Amee Kendle** and **Andrea Bastianelli,** Opinion, page editors **Dennis Farmer** and **Adrienne Quinn,** Feature page editors, **Teri Kimball** and **Sari Barnhard,** and Sports editors **Eric Wedin** and **Cindy Scott.** "We had a pretty small staff this year, but the quality of people was super," remarked Wedin, commending the hard-working group.

As in any organization staff members were quick to indulge in doughnuts and pizza now and then (only when the work was done of course!). Wildcat staff members rewarded their efforts with parties at Christmas and the years end, as well as attending several conferences, journalism days and write offs.

Photographers **Keith Railey** and **Ken Love** sort through the thousands upon thousands of award winning photos they have taken.

Since typing is a two-person job, **Sari Barnhard** and **Teri Kimball** team up to tackle a story.

Steering Their Way

Under the direction of Mr. Glantz-advisor and Tobi Thomas-president, the Future Farmers of America continue to increase their understanding of agriculture.

The F.F.A. have many accomplishments to be proud of. This year, from March 20-26, they attended the Great Western Fair in Pomona. They also went to the state finals in San Luis Obispo to compete with their projects.

F.F.A. is a very dedicated group. They hope to be able to continue the organization in our new school. There has already been 3.09 acres of land designated for a new faciltiy. They look forward to having a new farm, but until then, they continue to work diligently.

GAA Brea STILL #1

Let's take some time out right now, to give some recognition to the organization, striving to keep the athletic program the #1 spot at Brea Olinda. That well known organization is G.A.A, organized by **Sharon Caperton.** G.A.A gives girls an opportunity to step out and represent their sport with pride, such as tennis, swimming, basketball, cross country, soccer, softball, and gymnastics, which are all sponsored by G.A.A.

President Stacey Tackett, Vice-President Tiffany Harper, Treasurer Julie Sokol, Publicity Chrissy Reiding, and Robin Fabrey, Historian Cindy Scott, have all done a great job of keeping G.A.A. together this school year. The Sadie Hawkins Dance and the Powder Puff game were the two main highlights of the year, which were both big successes.

CHOIR

Chamber Singing Success

The 1985-86 Chamber Choir proved to be a singing success. This 12 member group directed by Ms. Linda Prideaux held many activities and fund raisers to keep busy. In the fall of '85, Wildcat tumblers were sold to add funds to the group's treasury, the annual winter concert was held in December, and the spring concert in March. The whole choral department also sponsored an all school musical, "Bye-Bye Birdie" in April. Even after all of these, another pop concert was held in May. Hats off to the 1985-86 Chamber Choir, a truly noteworthy group!

Under the direction of Ms. Linda Prideaux, choir hit many well received notes. This year, their performances included Christmas, Spring, and Pop Concerts. They also put on a musical; "Bye Bye Birdie", which was a choral department sponsored all school musical. The group sold tumblers and had a bowling tournament in order to raise money for their well performed musical. The class officers this year were: Erin Devoney, President; Liz Oestreich and David Peterson, Vice President; Mary Anne Meyn, Treasurer; Anne-Marie Smith, Publicity; Kim Peterson, Secretary; and Chrissy Ejma, Choir Rep. Choir seems to be opening many doors for quite a few future performers. This isn't surprising though, with all the hard working talent that B.O.H.S. students have. They are part of a winning choir that is excelling musically every year.

CLUB *Interact* Serving With

The Brea Olinda High School Interact Club consists of 15 to 20 active members who enjoy helping their community as well as other countries. "For instance, these members decided to have a fundraiser for the Mexican Earthquake Relief Fund. The club earned a lot of money and even collected food and clothing for the City of Mexico," stated advisor Cheryl Jatho. This club will also be involved in the Junior High Book Collection Project, Adopt-A-Family Project, and many other community and club projects. This club is a social and a service club. They like doing things to make this community better. "These members are friendly, caring, and interested in many things that will help out community," stated Miss Jatho. "The club originally started in Florida in 1962 by the Rotary Club, and now there is more than 4,000 groups all over the world" stated sponsor Kevin Nichols, a Brea Rotary Member.

BAND *Concert* Keeping The

This year's concert band, made up of 45 prospective musicians, was better than ever. Various fund raisers such as: selling candy, christmas ornaments, and setting up a haunted house kept the band members busy as well as helped them raise enough money to attend the Hawaii invitational. Two of the groups best players are Ken Horspool (all Southern California High School Band), and Sarah Engerman (all State Honor Band).

Many hours of practice and coordination plus the fine teaching and organization of the director, Mr. Malotte, came together to add to the success of this year's concert band.

"The members are a select group of students chosen from the marching band, and they should do well in competition," quotes Mr. Malotte, instructor. The band performs in many concerts including two in the spring, and Brea Talent Parade, the Fullerton College Jazz Festival, and the Hawaiian Invitational, among others. DANCE

Production Grace And

The 1985-86 Dance Production class made a tremendous impact on the entire student body this year. Under the friendly coaching of Mrs. Carole Finn, the dancers performed three dances in the Fountain Valley concert. Many who attended the concert felt the Brea dancers were "the best"!

The dancers also enjoyed the visit of "Lynx" from New Zealand and learned a style completely different than that of American dance. This year brought a change to the way things were usually run. Representatives from the Sophomore, Junior, and Senior classes were voted on and chosen. Also, the annual spring concert was a huge success with a special dance performed by the advanced dance class. All in all, this year's dance production class was terrific.

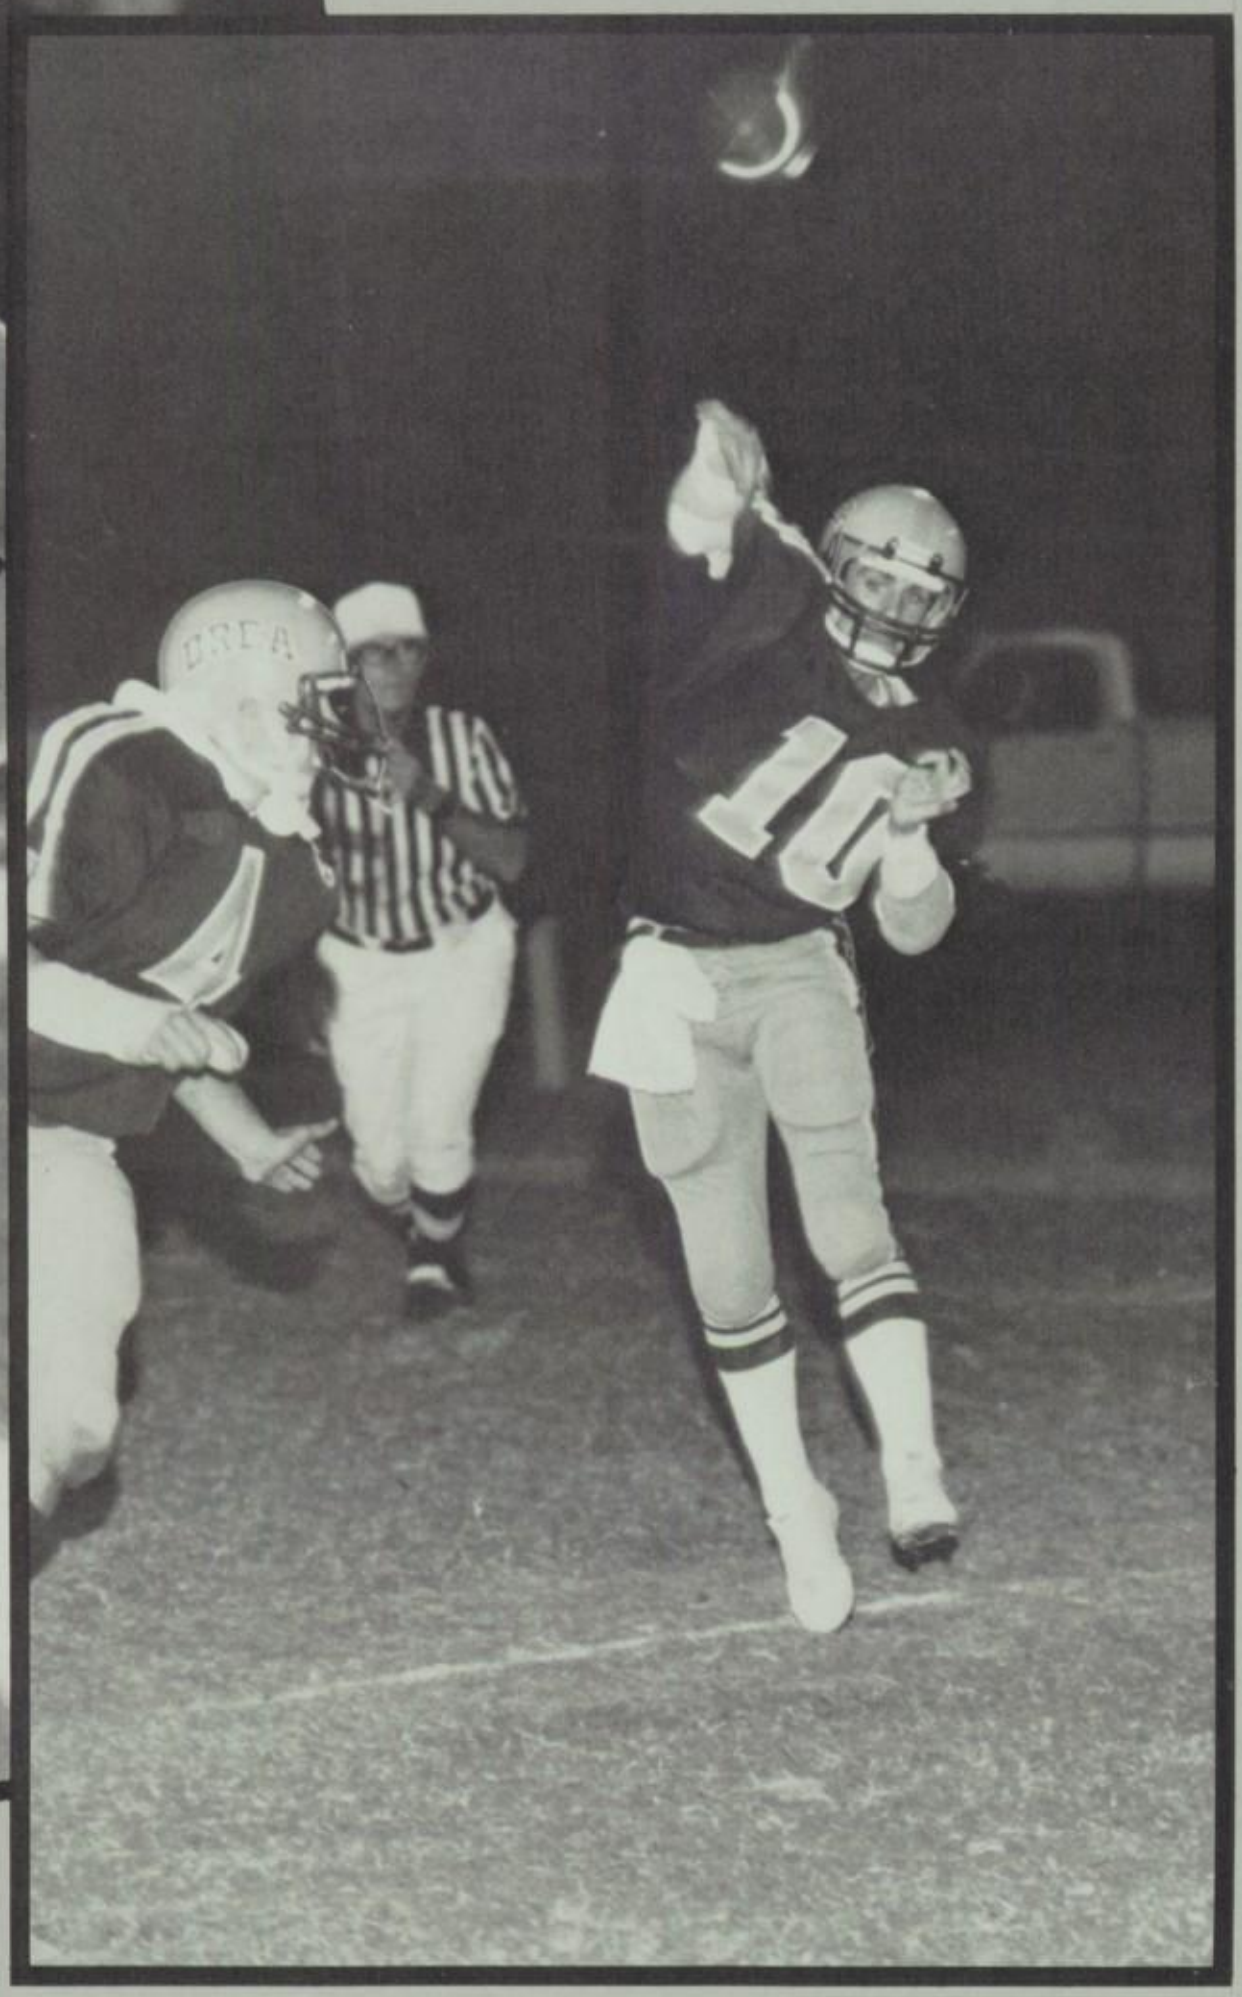
Bringing Us Together

Sports



Sports are a valuable addition to the life of an individual, whether it be a team sport for simply keeping fit. Those involved in Athletics devote their stamina and minds to the accomplishment of achieving their very best. They deserve all the encouragement and respect one can give them. But a main source for their success comes from the coaches, who provided them with skill and techniques, and the support from the cheering students.

Girls of the Month

The 1985-1986 Girls

Possessing charisma, tact, and intellect, Girls of the Month add a bit of spirit in everything they do. Chosen by the faculty for their academic ability, leadership, and school involvement, Girls of the Month are truly special. A new girl was chosen for each month of the school year and presented with a yellow rose by a member of the Girls' League cabinet. Each girl was honored by having photographs of her and friends placed in the main hall bulletin board for the month that she was selected. They were also honored at the Mother/Daughter social, held at the end of the year. Although their interests varied from sports to art, one thing they all have in common is their dedication and commitment to their school.

A member of the Honors Program and the California Scholarship Federation all four years at Brea, she was successful in everything she attempted.

Along with her outstanding academic ability, she had a personality to match. Voted Most Likely to Succeed by her peers and a member of the Homecoming Court, Peggy Giboney was truly our Girl of the Year!

Fads & Fashions

Stepping Out

The 1985-86 school year at Brea Olinda High can definitely be stated as a year of unique fashion and style. With fads and fashions varying from cool slim skirts and printed jeans to fuzzy warm oversized sweaters and stirrup pants in a rainbow of colors. As for the men on campus, many can be seen wearing stone washed jeans with cream colored shirts along with large baggy jackets or they may go towards another direction and wear dark clothing and wear coloring in their hair as an accent. Whatever one wears on B.O.H.S.'s campus, or anywhere else for that matter, each individual is truly unique and because of this, Brea Olinda is a more exciting place to be.

Assemblies

Spirit's Reaching

Pep rallies are really "Spirits Bringing Us Together." The pep rallies are really not out of the ordinary. They consist of those corny jokes, wild skits, and of course the crazy class competitions. All the pep rallies were led by David Leper and Jennifer Barton. Other people that contributed to making the rallies spirited were our cheerleaders and those funny winkies, Tina Jones and Sharon Morrill. Each pep rallie was filled with great excitement. The band was a big part of making eveyrone enthusiastic. And, of course, everyone laughed at those zany skits put on by ASB. And who could forget everyone standing proudly to sing our Alma Mater.

Alma Mater

Hail Alma Mater
To thee our praises ring.
Mighty sons of the
Greegreen and gold
To thee we're proud to
sing.
So hail to Brea, Olinda,
Lift that spirit high,
Keep the Wildcats

The Best In The

What a night! On October 12, 1985 guys and gals came to the Sadie Hawkins dance in matching shirts, ready for an evening of Western pleasure. The G.A.A. provided a marriage barn where many were "joined in howlin' wedlock", and a jailhouse where "honery" dates could be held. After taking part in such activities, couples were glad to sit down on a cozy haystack and enjoy a cool drink from the waterin' hole.

Winter Formal

"Now And

The Winter Formal was a night of special memories for everyone who was involved. Starting at 8:00 and lasting until 12:00 gave everybody plenty of time to dance the night away with the date of their dreams. The formal was held at Irvine's Heritage Park and was D.J'd by KROQ-rock of the 80's. The traditional crowning of the Winter Formal King resulted in a tie for the position. Mark Chase and Mike Lee were chosen by their own senior class vote. The other three princes were Kelly Porterfield, George Hartshorne, and Fred Camarena. Everyone, dressed up the ritz, enjoyed themselves tremendously and were sorry to see the night end. But the memory will live on - "Now and Forever."

Co-Ed

"Moments

The 1985-86 Co-ed was one of this year's outstanding highlights. Held at the Plaza de Cafes in Newport Beach and presented by the Girls' League, the dance was a complete success. After weeks of planning by everyone involved, couples entered the dance anxiously awaiting the upcoming excitements. The beautiful decorations added to the formal but relaxed mood shared by everyone there. Filled with, "Moments to Remember", this evening will be etched in our memories for years to come.

Displaying a pleasurable attitude, Lisa White and Eric Oden look forward to an enchanting evening.

Bringing Us Together

Student Life

Explosive enthusiasm was set in motion this year by the pep squad and other campus groups concerned about providing students with fun and entertainment. Whether in special programs like sports or academic clubs, school life was a social life for many as they met people and enjoyed the social events such as dances, ski trips, and athletic contests. Involvement with organizations gave Brea students the chance to grow socially and educationally as friendships were established that will flourish after the years at Brea.

"Whatever It

Armed with the motto "Whatever it takes," Brea Varsity Football set out to do "Whatever it took," to come out on top. 1985 saw the Wildcats sport a 5-6 overall record, and a 3-2 league finish, good for third place and a CIF playoff spot. Wins came against Dana Hills, Anaheim, Savanna, Magnolia, and Walnut, while losses were to Artesia, Villa Park, Sunny Hills, Valencia, Western, and La Habra. "I'm disappointed we didn't have a better win-loss record, but I think there were a lot of factors leading into it," commented head coach Bill Brown. "We had a ton of injuries," stated Brown citing the Villa Park game, when Brea was without 13 players as an example. "I never felt our football team played to its full potential." But Brown was happy with the season. "We played some good games, made the play-offs, and had a chance to play for league championships," Brown explained. "I think the kids got something out of it, and that's the bottom line, that they get some good values out of it." Statistically, Brea's three year lettermen Fred Camarena, Kelly Porterfield, and Richard Rangel all enjoyed fine senior seasons. Camarena, a jack-of-all-trades, was among team leaders in passing, rushing, and receiving. As signal caller, Camarena passed for 469 yards and 2 touchdowns, rushed for 214 yards and 3 scores, as well as hauling in 12 passes for an additional 136 yards. For his efforts, Camarena was named Orange League Back of the Year. Porterfield and Rangel were in a season-long duel for team leadership in tackles, which Porterfield won narrowly 83-71. Porterfield also recorded the only two interceptions of his career in the 1985 campaign. The passing attack was led by second year letterman Eric Oden, who was 59 for 752 yards and five touchdowns. Oden also had 173 yards on the ground. Oden's favorite target was Mike Knaus, who led the cats in receptions with 75, good for 483 yds. and three scores. Junior sensation Mike Oziminski was the workhorse on the ground, rushing 101 times for 429 yds. and 5 touchdowns. A particularly memorable moment this season for all Brea fans, came against Anaheim when he broke the school record for longest run from the line of scrimmage with a 98 yard scoring sprint. On the defensive side of the coin "911" was the handle Brea opponents grew to fear when facing the fearsome Wildcats. Camarena led the squad with 5 interceptions, three of those coming against Walnut, a feat which netted him Player of the Week honors in both the LA Times and the O.C. Register. "911" was good for 23 sacks, six of them coming from second year letterman Mark Norflis. Several Wildcats were also honored as all-league selections. Named First Team Defensive were Kelly Porterfield and Steve Teran, with Jose Segura and Richard Rangel named to the second team. Mark Chase made honorable mention on the first team. Offense honorees included Sefie Vargas and Mike Knaus.

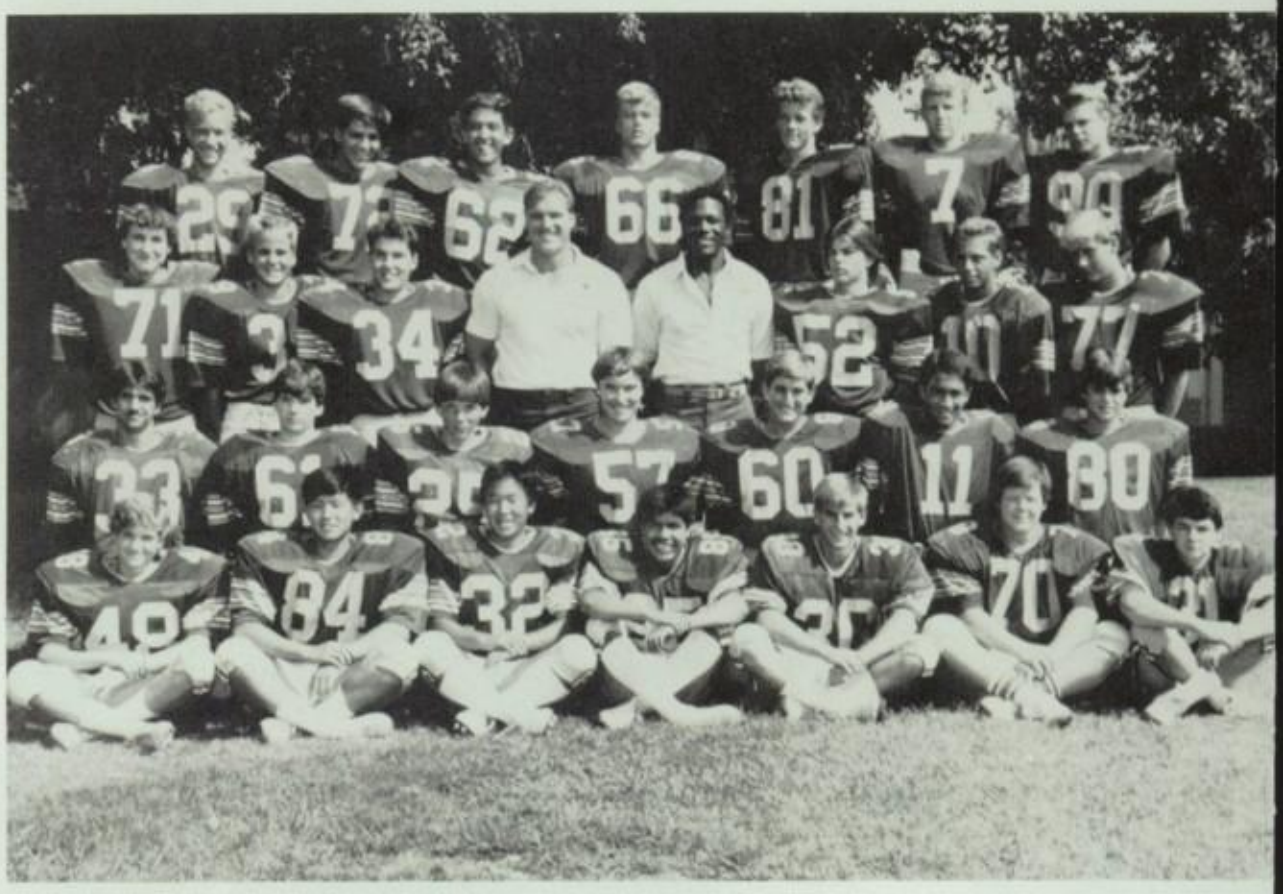
JV Has Tough Season

The JV team did very well this year against such tough opponents as Artesia, Villa Park, and Dana Hills. Coach James Hardin, who was assisted by J.P. Oziminski and Scott Wilkie, felt that the season was very successful, however the team could have scored more. The JV team was led by such outstanding players as **Brad Robinson** #66, **Eric Floen,** #51, and **David Stark,** #7. These and other key players contributed the strongest point of the team, the defense. Next year's Varsity team should receive some excellent players.



Front row: **Ken Martin, Jerry Liu, Eric Shimizu, Ricky Quintero, Matt Gunn, Kelly Keith, John Reynolds,** Second row: **John Masaitis, Greg Munson, Drake Teran, Rick De Shields, Ted Collins, Jim Sciancalepore, Robert Austin,** Third row: **William Peterson, Geoff Kendle, Mike Luna, Coach Norm Berglund, Coach James Hardin, Eric Floen, Shon Riley, Cory Jarmon,** Back row: **Jack Oman, Jimmy Esquivel, Andre Aragon, Brad Robinson, Robert Moore, David Stark, Mike De Clark.**

Fourth row: Jay Robbins, Jason Miller, Steve Koniarsky, Dean Taylor, Vince Stold, Gabriel Villanueva. Last row: Sean Lyle, David Thymes, Steve Malloy, Jake Witherspoon, Rob Moore, Paul Feiereisen, and Erik Aulls.

Coached by Mr. Steve Hiskey with assistant coaches Vince Van Delden, Bryan Wiedeman, and Greg Hutcherson, the Frosh football team did very well this year against tough opponents such as Temecula Valley and Dana Hills. The team was led by such outstanding players as **Jake Witherspoon,** quarterback and linebacker; **Mark Shaw,** running back and defensive back; **Steve Tackett,** wide receiver and defensive back; and **Steve Malloy,** offensive and defensive line. The strongest points of the team were the defense, the offensive passing game, and their kicking game. The Frosh Football team steadily improved their skills tremendously. Next year's JV team should be great!

Water Polo Splashes

Despite the fact that there were only two returning seniors, **Darryl Carlson** and **Jeff Searles,** the Varsity Water Polo team did extremely well during the season. The team's league record was 8-4 and their overall record was 13-8. Coach Bob Lin and assistant coach Dan Moon, proved the season to be one of the best. The top players were **Marc Beck, Kevin Jack, Darryl Carlson, John Stockdale, Scott DeBoer. John Stockdale, Marc Beck,** and **Scott DeBoer** were considered to be the most valuable on the team this season. The team went on to C.I.F., but made a disappointing loss of 6-17 against La Canada. "The team is young, but they really show theirselves to be tough," said Coach Lin. At this years banquet, Scott DeBoer was awarded Most Inspirational, John Stockdale was awarded Most Valuable, and Marc Beck was awarded the Player of the Year. In all Orange League, Marc Beck, Kevin Jack, and John Stockdale made 2nd team. Darryl Carlson, **Mike Nienhouse,** Jeff Searles, Scott DeBoer, Mark Beck, Kevin Jack, and John Stockdale did a great job this season as the team's starters. With a lot of enthusiasm, Coach Lin said, "The season went great. We have a young team and every player had a good year." He also mentioned that the team worked hard and very well together. Looking back at this years season, league record, and overall record, the players showed their great team work and gave the true meaning to winning and being the best.

Other leading players were Alfred Garcia and Rim Burandt. The coach commented that most of the team this year was consisted of freshmen. "This team was outstanding considering water polo is one of the toughest sports around," quoted the coach. He continued to say that he had a lot of fun coaching and playing with the team. The team also had another surprist, Tracey Richison, a new student from Beverly Hills, and the only girl to play on a water polo team here at Brea Olinda.

Striding Towards

Brea-Olinda's Cross Country team had a very good showing this year under the admirable coaching of John Holton and Julie Ream. Behind the leadership of Varsity runners **Brent Jones,** Brea's number one runner, and senior leader **Jeff Harris,** the Varsity boys scored a respectable 2-3 in a very tough Orange League. Although the team was very young, they improved as the season progressed and will improve even more by next year with the return of such runners as **Brent Jones, Mike Powell,** and **Jay LePage.** "We should be very good next year," said Coach Holton of the Varsity boys.

"We should be one of the top two teams in league next year."

The girls' team also had an excellent showing with a league record of 3-2 and 5-4 overall. First place races by Brea Newcomer, **Chris Flores,** kept the girls in contention. Again, inexperience proved a factor, however, the team hung tough and scored well while improving through the year. Coach Holton said of the team, "They're a very good group with a good attitude."

The Frosh/Soph boys also registered a 3-2 league record with the help of fine runners **Ken Hart** and **Seth Bacon.**

This year's Varsity Volleyball team, consisting of four seniors, five juniors, and one sophomore, placed Third at the 30 team "Cal-High Tournament." The players had spent countless hours during the summer and after school with Coach John Reid improving their skills. In addition to improving their skills, the seven returning varsity players and the four newcomers also worked hard to keep up teamwork. Coach Reid's goal for this year's players was for them to achieve to be more team-orientated rather than individually-orientated. This, he believes, would strengthen the program and show the athletes that success would be achieved by cooperation on the court. When asked how the team improved since last year, coach answered that the girls now understand the sport better and therefore can adjust to any situation in a game. All around, the volleyball season wasn't quite as good as expected by the team. But, as result of their hard work, Brea's Girls Volleyball team remains very competitive, achieving a reputable name among other schools.

Wow! What a season! The Junior Varsity Volleyball team really showed their stuff. Playing against schools like Anaheim and Magnolia, J.V. conquered their way up to first place in league finals. Wildcats Drill Through

The 1985-86 season was truly record-breaking for the varsity Wildcats. They advanced to the CIF semi-finals for the first time since 74-75, establishing a new school record for wins with 25 against only five losses. The squad also set a school record of 16 consecutive victories, including a second straight 10-0 Orange League record. "This season has far exceeded my expectations," commented coach Gene Lloyd. And who was the main gun in the Brea arsenal? 6'11 UCLA-bound Kevin Walker, who shattered many of the school's scoring records. As of the semi-finals of the CIF playoffs, the Brea sharpshooter had 1708 career points breaking the record set by Roger Anderson in 1981. And the record for field goals in a season (265), season and career scoring averages, and league scoring averages, and you've got the makings of an Orange League MVP, All-CIF season.

"Winning the league the way we did was really a high point."

"He's the best I've seen in Orange County the past 12 years I've been here," remarked Lloyd. "No one even comes close." Three year letterman Vince Francis established a new school record for steals, with 81. "Sometimes I think there's three Francis', out there" said Lloyd. As of this writing point guard Gary Chiotti had 18 offensive charge calls to his credit, breaking the school record of 17.

However, this season, filled with victory after victory, started with a dark moment, a 64-45 thrashing at the hands of Diamond Bar. "Actually that game was a blessing in disguise. After that it was never too hard to get the team's attention," remembered Lloyd. "I thanked the Diamond Bar coach afterwards. He couldn't have done me a bigger favor."

With that jolt behind them, the Cats went on to take consolation championship honors in the Sonora Tournament and second place in both their own and Glendora Tournaments. "Losing in the finals of our own tournament to Woodbridge 58-49 was disappointing because I felt we could have and should have won that game, but reaching the finals of two tournaments is quite an accomplishment," commented Lloyd.

There was no stopping Brea from then on as the Wildcats tore through Sunny Hills, Troy, Sonora, and the Orange League to win their third consecutive title. During that 13 game stretch, Brea averaged 71 points per game, while holding opponents to 42. Only Anaheim was able to muster 50 points against them while the league champs broke 70 points on 8 occa-

sions. "Winning the League the way we did, annihilating everyone, was really a high point," said Lloyd. Brea advanced to the CIF 3A playoffs as the number five seed. Brea advanced to the semi-finals before losing to top seeded Ganesha after victories over El Segundo, Los Alamitos and a blowout of defending champion Morningside. As the team's performance got better, so did Walker, as next year's Bruin averaged 30 points 12 rebounds a game in the playoffs.

While changes were made, the starting lineup consisted of Kevin Walker, Vince "Stallion" Francis, Gary "Gare" Chiotti, Mike "Lurch" Tousey, and Doug "Rook" Dossey. George "Jorge" Hartshorne was a frequent started before an ankle injury against Sonora put him on the sidelines until the playoffs. Frequent sixth and seventh man players were Ron Thomas, Mike Anderson, and Tim Williams. Also playing well off the bench were Steve Johnson, Steve Sander, Chris Cooper and Jim Graham.

J.V. Hoopsters Dribble

The 1985-1986 season was filled with highpoints and record breaking performances for the boy's JV Basketball team. They opened the season with a second place finish in the Tustin Tournament, followed by a fourth place finish at the Marina Tournament. In the Latter Tournament, Brea narrowly lost to both Marina and Huntington Beach, teams a whole division higher than Brea and much taller. "This team really surprised me, I'd expect them to be blown out and they almost won," commented coach Phil Henderson, who is first campaign as JV coach after leading the freshman for 3 years.

"This team really surprised me," commented Coach Henderson.

Although lacking superior height the Cats often ran opponents into the ground with an electric fast break and stopped them cold with paralyzing full court defenses. These two factors led to one of the season's highpoints a first-place finish in the H.H. Wilson tournament. After blowout wins over Sonora and Victor Valley, the Cats squeaked by St. Paul 73-71 and dominated the host team to take championship honors. Bob Terry was named tourny MVP and Alan Reyes, Mike Thorum were named all tournament.

Brea never looks back, to winning 12 in a row, which included the first round of league play and a record breaking 108-39 victory over Sonora. The starting line-up consists of Bob Terry, Alan Reyes, Mike Thorum, Dexter Mumar, and Rusty Ham. While Matt Chamberlain, Mike Mittrick, Mike Coleman, Eric Wedin, Jason David and Ron Hurst played well off the bench.

Under the guidance of first year coach Craig Coleman, the sophomores overcame many difficulties. "We had one starter back from last year's freshman team," commented Coleman. "So experience was a problem," that returner is guard David Chaffin, who is joined by Jeff Robles, Jack Omen, David Hole and Piyush Patel. Hole leads the Cats in scoring with a 16 pt. per game average and Oman grabs a team leading 10 rebounds a game. "We get better every game," remarked Coleman.

Shooting High For '89

Although new to Brea's program the Freshman boy's Basketball team upheld the Wildcats standard of excellence. Under the guidance of third year coach Chris Emeterio, the young cagers were constantly improving throughout the course of the year. "When you coach Freshman, you have to start with the basics," commented Emeterio, who won 2 OL championships as the Sophomore coach. One area where Emeterio didn't have to start, however, is dedication. The squad woke before the sun and practiced at 5:45 every morning, but Emeterio felt there was room for improvement in all phases of the game. "We need to put together 2 good halves of basketball, and not come out bad in the first half," Emeterio pointed out. "But the talent is there." The team's starters were David Dittman, Craig McPhee, Eddie Garcia, Aaron Charlton and Marc Shaw, with Mike Cruz coming strong off the bench. Other team members included Scott Krog, Todd Flora, Stephen Strodejackson, Mike Hudak, Joe Seoung Yang, Todd Egan, Richard Tapia, Kevin Glenn, Steve Tackett, and Dave Chacon.

Ladycats Cap Awesome Season

After the Ladycats graduated seven players last year who had played on the three CIF runners-up teams, most people, including Coach Mark Trakh saw 1985-86 season as one of rebuilding. But the Ladycats themselves thought otherwise. "This could be the best team we've ever had here," remarked Trakh. In just about every poll Brea was ranked number one, in the CIF 3 A, the 3A playoffs, and Orange County. Among the state's large schools the Ladycats are ranked fourth, and in the nation they are 16th according to *USA Today*. Boasting a record of 25-3, the Ladycats lost only to nationally ranked teams, two of which were number one at the time, Christ the King of New York and Muir of Pasadena.

As for league play, the Ladycats breezed to their fourth consecutive title and extended their league winning streak to 38 games. Tournament championships came at Irvine and at their own Ladycat Holliday Classic.

Moving into the CIF playoffs, the Ladycats had routine blowouts of J.W. North and Woodbridge before receiving a test from Esperanza. The Aztecs challenged the Ladycats early before falling 69-51. With the win, the Ladycats advanced to the semi-finals against Walnut.

"This could be the best team we've ever had here," -Mark Trakh

But what made this team possibly Brea's best was the addition of height. "We've got legitimate post players this year where in the last we've had to play five guards," remarked Trakh. That added height came in the form of 6'2" sophomore Susan Tousey and 6'2" junior Kristen McPhee. Add all-league guard Char Schuessler, sophomore Kristen Blair, and All-American Carrie Egan, and you have Orange County's finest. What makes their accomplishments so incredible is that they sport a starting lineup of 2 sophomores, 2 juniors, and only one senior. With only four seniors, the Ladycats appear to be in great shape for next season and on. Coming strong off the bench are sharpshooter Denise Weiland, backup point guard Katy Swain, rebound specialist Leslie Dittman, all-around player Lona Moore, guards Lori Nickell, and Teri Winder, forward Kathy Winder and Center Laura Mussche.

Brea realized a dream come true in the CIF finals at Cal Poly Pomona where they won the elusive title with a 54-50 victory over defending champion Foothill.

Hard Work Pays Off

This year's girls' J.V. Basketball team showed more determination than ever before. Their hard work and team spirit helped them to win 1st place in the Irvine tournament. With three girls who made all tournament; Kristin Rex, Kelli Cornwell, and Laura Mussche they also placed 2nd in the Western tournament. The team was headed by a great coaching staff which included Bob Armstrong and Mark Trank. Lead by the two team captains; Kelli Cornwell and Kelley Lentini the team finished this year with a record of 22 and 2. CIF Co-Champs:

The 85-86 boys varsity soccer team has proved to be another winning team. The individual skill and unselfishness of this team has helped them through their victorious season. This team didn't have to rely on one player to make the play and there were no standouts. This team was skillful in all positions and left few, if any weaknesses. The coaching staff, Manny Toledo, Joe Toledo, Anibal Toledo, and Julio Flores, pulled the team through a tough schedule and came out on top, again. Coach Manny Toledo suggested that the team's free kick and throw-in skills were excellent and gave the team a great advantage. Bill Cruz, Steve Teran, and David Kain are a few of the throw-in specialists. The offensive goal scoring machine consisted of Kirk Friereisen, Ulysses Hwang, Mike Ozimiski, and Jeff Gordon. The dominating defensive starters were Mike Knaus, Steve Teran, Jared Burns, Rob Schuppert, and Mark Dunlap. Playing against tough 3-A and 4-A teams, they maintained an excellent overall record of 12-2-4. Youth organizations and an unchanging, consistant coaching staff on all levels helped to prove Brea-Olinda soccer as a dominating force in Orange League play.

"This team is capable of winning the CIF championship."

Surprise! Brea Olinda GAA Soccer is here and they are contending for the Orange League Crown. This year's GAA Soccer team, with many returning players and lots of new talent, has made their opponents take notice. Under the direction of head coach, Sue Brodmann and co-assistant coaches Linda Prideaux and Pam Bixel, the players worked long hours on individual and team skills to become the best that Brea has ever had.

Captains Stacey Tackett, Marie Pegg, and Anne-Marie Smith carried the team spirit from the practice field to the coin toss to the last minutes of a game. Brea played with all they had, strength and determination, to be CIF contenders. From this year on Brea's GAA Soccer will see a new time for the players on the field - a time to relish the glory.

"This year's team worked hard and deserve to be called one of Brea Olinda's best! Brea has never seen more talent and determination than this year's team."

Winning Pin

"Hell week" was every week of practice for the wrestlers. The hours of combat and strenuous activity, which often raised the room temperature up 10-15 degrees, frequently caused the wrestlers to lose up to 6 pounds in one practice. All this hard work was well worth it though. Brea battled hard with every team they came across. Out of the ten team members, 4 of the wrestlers qualified for CIF, which were; Serafin Rosales, Billy Raymond, Joey Soto, and Steve Ankeney. Their overall record for the season was 11 wins, 12 losses, and 1 tie. The whole team showed a great sense of spirit, dedication, and enthusiasm, which resulted in the many wins that they successfully attempted. Coach Kenneth Jenkins should also be greatly rewarded for the excellent coaching job that he did. This year's varsity team has come a long way, and they have really showed great strength and ability. Overall, the team has proved to be better than ever, and have really shown their meaning of what it takes to be a "winner."

J.V's Show Promise

After many long hours of practice, the Junior Varsity wrestlers demonstrated their capabilities as a team, showing that hard work does pay off. Leading the J.V. team was Eric Floen, Hector Soto and Greg Scherer. Their overall record was 0-5. Through all the tuff workouts, the J.V.'s worked hard and gained a lot of experience which will prepare them for the battle for a spot next year's Varsity team.

Brea Aquatics Strokes

Coached by Bob Linn and Dan Moon, the boy's varsity/junior varsity swim team stroked their way through another successful season. This year's forerunning members Jeff Searles, Darryl Carlson, and Scott De Boer, proved most valuable to the team's success. Endless hours of practice and dedication was the team's undercurrent to their fabulous season. Electrifying, restless swim fans pledged support led the BOHS spirit again to another exciting and fast paced year.

Mermaids Glide

The Girls' Swimming Team splashed into the season with a strong team that gained strength as the season progressed. Coached by Mrs. Phyllis Curry, both varsity and JV teams began each day with aerobic workouts in the morning and pool workouts after school. This strenuous exercise built both strength and stamina. "The team won a number of meets and at the Relay Invitational took 1st Place in every event across the board," according to Monika Schoeffler, a team member. Along with team honors, individual members racked up honors. Qualifying for CIF in their events were Robin Palmero, Jenny Niblick, Muriel Bruno, and Denise Weber. Other strong members of the team included Dana Wingerter, Heidi Housman, and Monica Fay. Several members swim with outside swimming teams, the Triple A Team and Thunderbirds, and this helps add experience to the group.

The girls had a great season and felt that one of the reasons the season was successful was the team's great spirit and sense of togetherness which enabled each individual swimmer to feel team support.

At the time of this writing, these active mermaids were looking forward to participating in the Orange League pre-lims, trying to win in their best individual events.

Coed Track

Running, Jumping, And Thro

The 1986 season for the Coed Track team promised to be a great one, and it was. Since very few atheletes graduated, both the girls' and the boys' teams were very experienced and well balanced.

"La Habra will give us a run for our money," stated coach John Holton, "and how we do at that meet will be a good indicator on how we will do in league." The boys' team was very strong with returning distance runner Brent Jones and sprinters Adrienne Garcia, Jason Haugen and Steve Eberhart. Juniors such as newcommer Chris DeRosa and x-country veteran David Bailey added a new strength to the mile relay team, which was undefeated through pre-season. Field events, which in the past have yielded no points, sported the likes of Brian Fabrey, Lanny Zamora, and Chuck Fanning. The three successfully brought in points through the discus and shot-put events. High Jumpers Lane Ely and Mike Stewart also contributed to the wins while Scott Bissonnette and Jeff Hutcherson showed excellence on the hurdles. Coach Holton was impressed with the teams depth and experience, and admired the fact that the team was very successful without having to rely on any "Stars".

"The team is extremely well balanced."

The 1986 girls' team expects to do very well in league, despite their inexperience. With only four seniors and very few juniors, the team relied greatly on underclassmen such as hurdler Kerrie Browning, miler Traci Tennison, and jumper Kelly Bates. The 440 and mile relays were the team's strong events, according to girls' coach Julie Ream. The jumpers also proved to be experienced, while Kim Dearman, Cindy Bodner, and Christina Eisemann showed excellence in the field events.

Flipping For

Practicing hard after school every day, the Brea-Olinda Girl's Gymnastics (BOGG) was very successful this year. Under the direction of Coach Ron Hampton and Melanie Hagstrom, both Varsity and Junior Varsity gymnastics teams showed great potential. All the girls worked hard to meet individual goals, as well as working for the team. Returning Varsity gymnasts were seniors Debbie Melton and Lisa Hoang, along with junior Kim Thurston. These girls helped the 4 freshmen team members feel at home. Junior Varsity returnees are sophomores Tricia Cannon, Stephanie Evans, Mona Lee, and

"Brea's never had a team this good."

The BOGG gracefully tumbled through the season winning many meets. "It is absolutely the best team we've ever had," comments Mr. Hampton. A great accomplishment for the Varsity was during a meet against Los Alamitos when they broke a record of 166.4 with their score of 167.4. However, they broke that record again with a score of 168.2 against Cypress. Their determination and competitiveness shone through their skillful routines. Whether vaulting or performing on the beam, the girls really got the crowd cheering. Maybe we'll see one of them in the Olympics!

Golfers' Swing Up

If you want to find a congenial group of sportsmen, look no further than the golf team. Who wouldn't be happy to have the chance of being out in the fresh air and sunshine on a beautifully landscaped golf course every afternoon, walking a leisurely 18 holes and getting in exercise all the while?

Coached by Mr. Henderson, in his first year at the job, the golf team began a spring season which got off to a soggy but successful start. When asked how the season was shaping up, team member Jeff Banks replied enthusiastically, "We will win the Orange League title easily." Now that's confidence! The top seven players on this year's team are: Bill Oxford, Kevin Calborn, John Stone, Jeff Banks, Tim Williams, Jeff Higgins, and Kenny Claborn. Coach Henderson adds experience and strength to the team. This may be his first coaching year, but he has played golf for many years and is knowledgeable and experienced.

"We will win the Orange League Title easily"

According to the players, the team is well-balanced, with several able players giving it strong support. The team had three returning players this year and will have three next year, which should help strengthen it even more.

Home matches are held at Imperial Golf Course, and all matches are played Tuesday and Thursday, with practices every day in between. The team has a chance to travel around to other courses when they play away, which gives the members a chance to get variety in their course play.

Team members say that the team is full of high spirits and lots of joking during practice. This makes for lots of hi-jinx on the golf links, and gives the team a close feeling of comradeship.

Softball Swings

Brea-Olinda's 1986 Varsity Softball team had another fun and exciting season. These outstanding players and dedicated coaches Sharon Caperton and Sharon Farrell put forth a lot of effort this season at games and practices working on new skills while perfecting old ones. Challenged by other strong competitive schools, Brea held tough with its returning players. With an abundance of spirit and enthusiasm, the team is looking forward to next year's season!

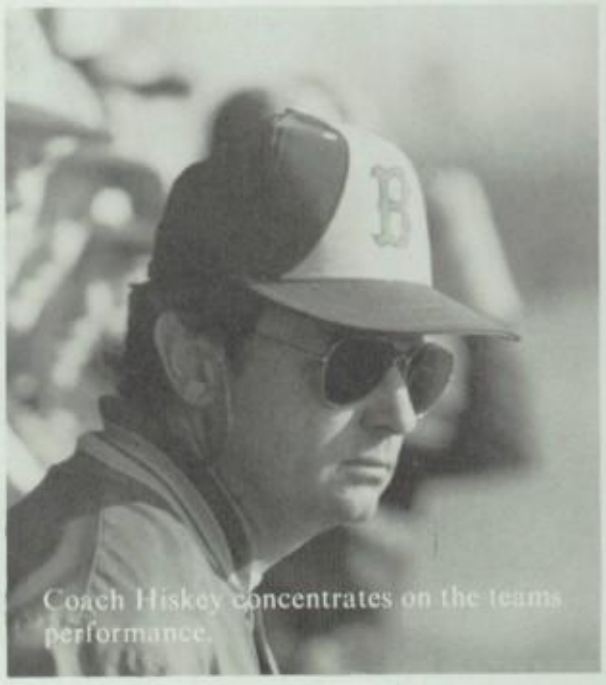
Sluggers Swing

Anchored by a strong veteran pitching staff, Brea's varsity baseball team made life difficult for opposing teams. "Our goals are to have a winning season and to make the playoffs," commented Coach Steve Hiskey, at the helm due to the resignation of Bob Justice. Returning pitchers Bill Vanderhuel, David Kain, and Steve Chacon were joined by varsity newcomer Jim Murray to form a strong foursome on the mound. "We had some problems early on in the season because of all the players that were still in winter sports," remarked Hiskey, who added that things settled down once they were able to field a full team.

League play, according to Hiskey, was tough top to bottom. "Our league is very tough throughout, but our toughest opponent will be Western,": explained Hiskey, referring to the county-ranked Pioneers. Hiskey sees returning lettermen Fred Camarena, John Wells, Steve Chacon, and Mike Oziminski as key players and newcomers Jim Murray, Robbie Grubbs, Rick Rizzo, Mike Bogosian, and Greg Quiring as big contributors. Hiskey also added that the team's attitude is great and that they're "all fired up and ready to play ball," and that "all the teams in the league are even, and it will all come down to who wants the title the most."



Coach Hiskey concentrates on the teams performance.

JV Shines In Action

It was an active year for the 1985-86 Junior Varsity baseball team. With hard work, team-work, and great coaching, by Steve Gale, the J.V. baseball team finished off the year with a fantastic season. The team was known to have a good solid defense which benefited them greatly. Some of these great defense players were Jim Hudak, Dave Morrill, and Doug Snyder, to name a few. On the offense side, "It's a homerun!" was stated quite often as batters like Matt Gunn, Colby Sato and Dave Atkinson come up to bat. The team combined all their effort and hosted a Easter Tournament which started on March 24 and resulted in a lot of fun and some great team work. The season could definately be called a huge success.

Jim Hudak is definately giving it his all, as he pitches three winning strikes which help Brea win the game.

Colby Sato winds up to pitch a winning strike-out pitch.

Adam Stoerck awaits to tag a steal at second base.

Bottom row: David Thompson, Collin Nelson, Chris Benson, Mike Hudak, Jerimee Bradglia.

Because of the extended rainy season and some early losses, the Frosh baseball team had a slow start, but as the season progressed and the weather improved, so did the team. By the middle of the season this young team had gained experience working together, and they began to rack up some wins. Coached by Paul Elwart, the group became a well balanced team whose players worked well together and made good use of individual talent. According to players Brian Hudson and Todd Carl, the team had a number of players who added strength, among them Craig Railey, who led the team with a 400 batting average, and Joe Zink, an excellent team player who "really got the job done." Other accomplished team members included Rob Ferencik, Matt Luke, and Greg Kelly. The future looks bright for next year's JV team.

Netting Victory

"Girls' tennis had an outstanding season this year," reported Ingrid Wicken, coach of this year's Girls' Varsity Tennis. The team achieved a league record of 2-15 and an overall record of 2-8. She added that a lot of new players and a strong enthusiastic spirit kept the '85-'86 team alive. Most valuable player of the varsity team was **Julie Sokol,** and **Helene Lefton** of the junior varsity team, coached by Mike Holst. The number one doubles team of varsity was **Kathy Boss** and **Lanie Pesicka,** and **Amee Kendle** and **Mary Byrne,** of Junior Varsity.

With seven returning varsity players, the 1985-86 Boys Tennis team was very experienced, and looked forward to an excellent season. The teams were guided by Gene Lloyd and newcomer J.P. Oziminski. Both teams entered the league season with high possibilities for playoff hopes. With top players, **Jeff Gordon** and **Bill Cruz,** and first doubles team **Dough Dossey** and **Alan Reyes,** the opponents found this varsity team hard to beat. On the striving Junior Varsity team, **Lawrence Blackburn** along with number one doubles team, **Kevin Hull** and **Brad Drapkowski** led the improving JV team. Hard work, valuable skills, and excellent talent proved significant in a tough but well played season. Brea's tennis is no exception to the excitement of our superior athletic qualities.

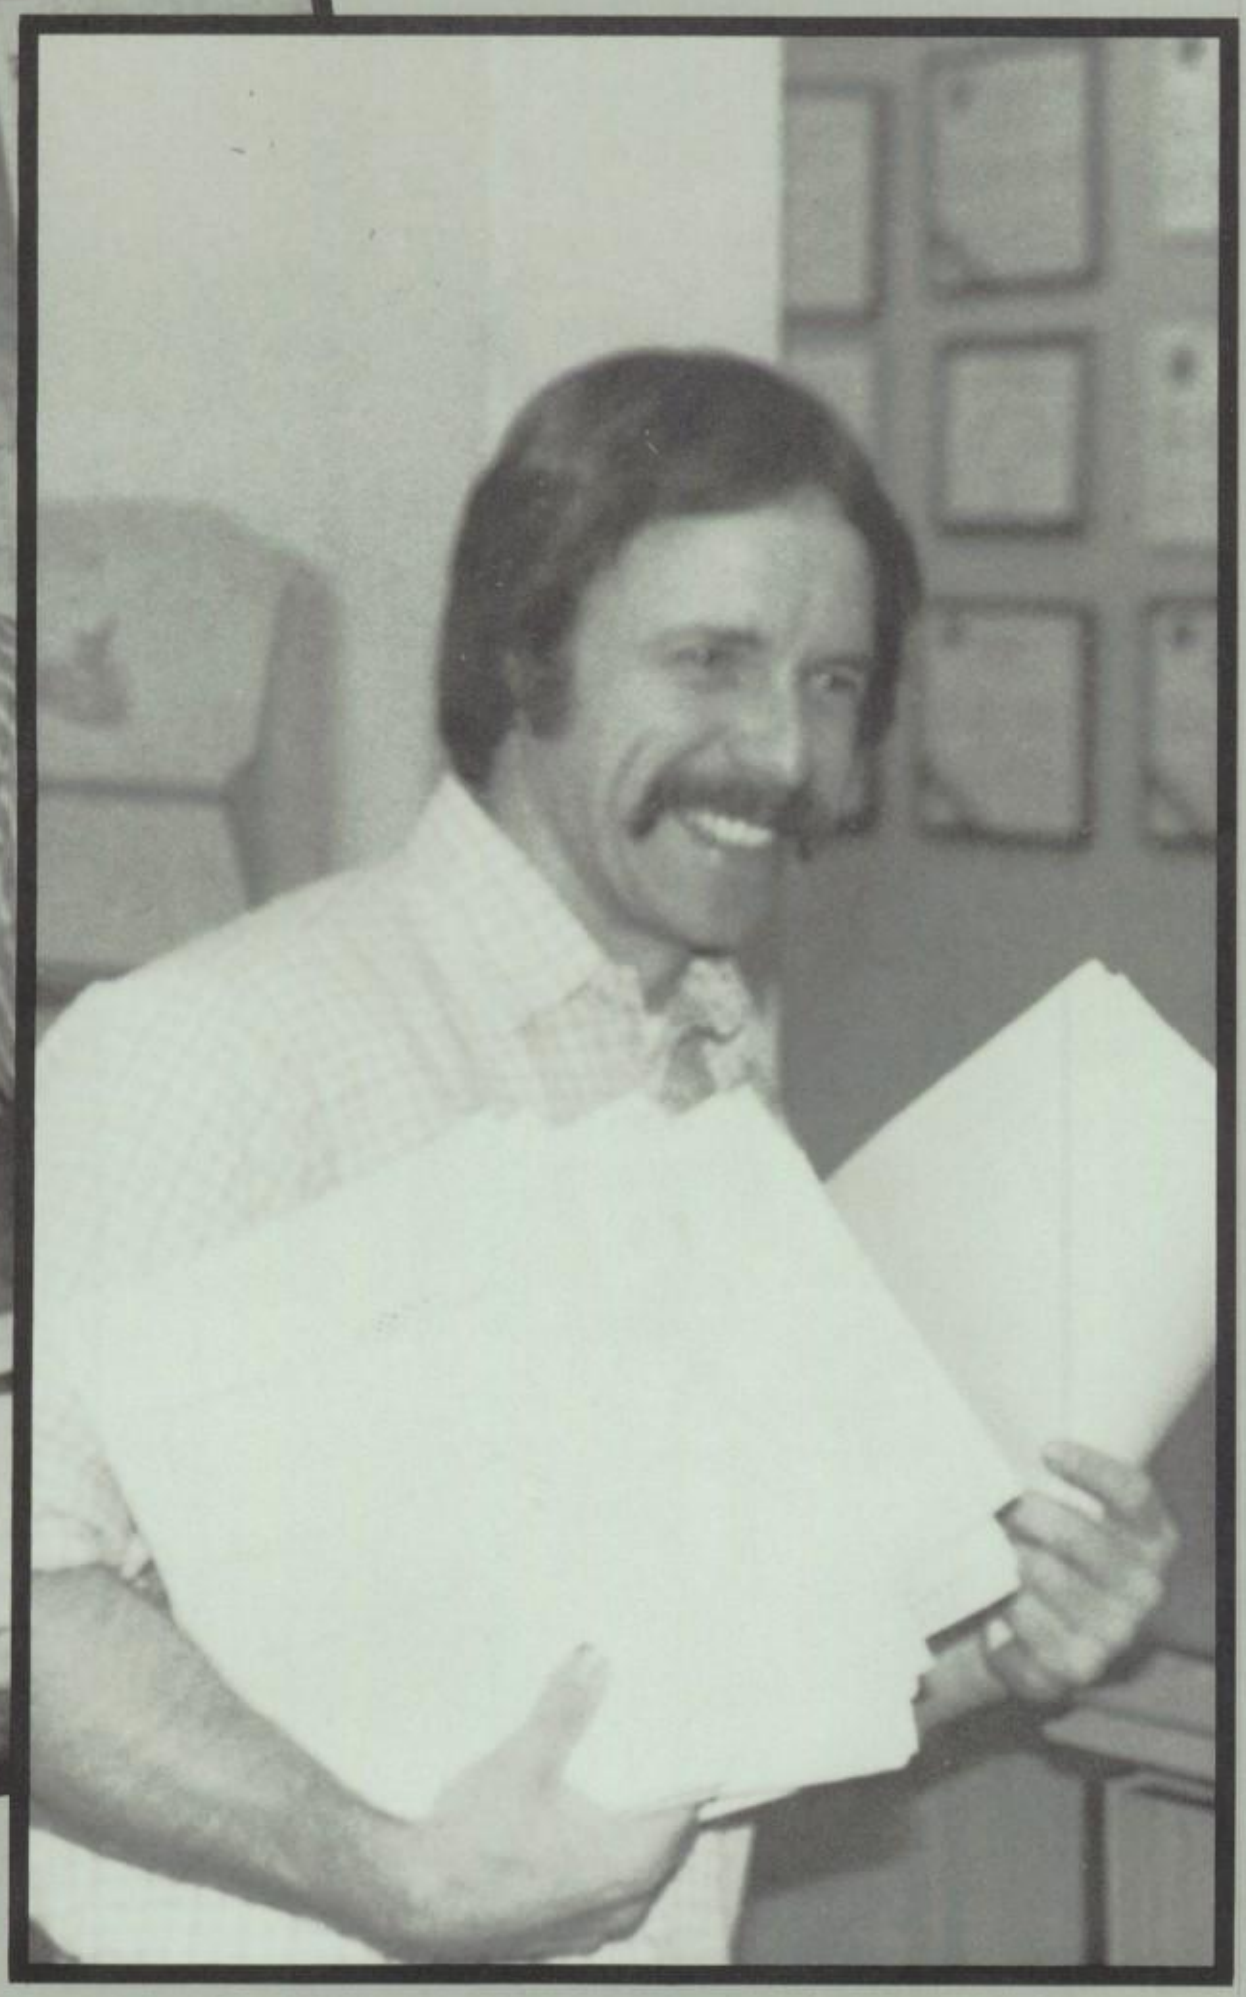
Bringing Us Together

Academics



Reaching ones highest potential takes alot of determination, discipline, and self-pride. Many students who fit this description can be found in organizations like the Academic Decathalon, Honor Society, and Kiwanis Bowl to name a few. These students show talent and stretch to the farthest limit and reach outstanding goals. A congratulations should be given to all who add such a contribution to our academic department.

CSF: Making The Grade

An organization that recognizes those students who maintain a high academic grade point average, The California Scholarship Federation, grew and became more active this year. Under the direction of Mrs. Rosemarie Taylor, CSF visited and helped the needy and orphans every month. Though most students were very busy with other activities, these students found the time to be concerned about others. In all it was a satisfying year of service for CSF.

Successful Scholars Show Spirit

Julie Sokol and Lynne Pregenzer are seen taking a break from their rigorous activities.

The members of the National Honor Society are those who excel in scholarship, service, leadership, and character. This means that each of these students have maintained a 3.2 g.p.a. overall and have contributed over, above, and beyond the average student. This unique group of students was selected by a committee of teachers who scrutinized whether the student lived up to the standards. Every year the N.H.S. students offer tutoring services for their fellow classmates. This also proved to be a service to the teachers as their work load was lightened. This year's National Honor Society consists of 25 truly special people.

Decathletes Prove Academic Strength

After having dedicated two lunch periods a week for almost three months, the Academic Decathlon Team was finally prepared to face the fierce competition at this year's OCAD site, Tustin High School. This year's coaches, Rachel Sweet and Brigitte Little worked hard to prepare the decathletes to tackle events in social science, mathematics, economics, fine arts, English, and science. In addition to the written tests, the participants were also required to write essays and give speeches, concerning United States immigration. Finally at the end of this long, strenuous Saturday was the "Super Quiz", a quiz-bowl type competition, asking questions about immigration — trends of the past and laws of the present. The following Thrusday night at a banquet, held at the Disneyland Hotel, the team members were recognized for their efforts.

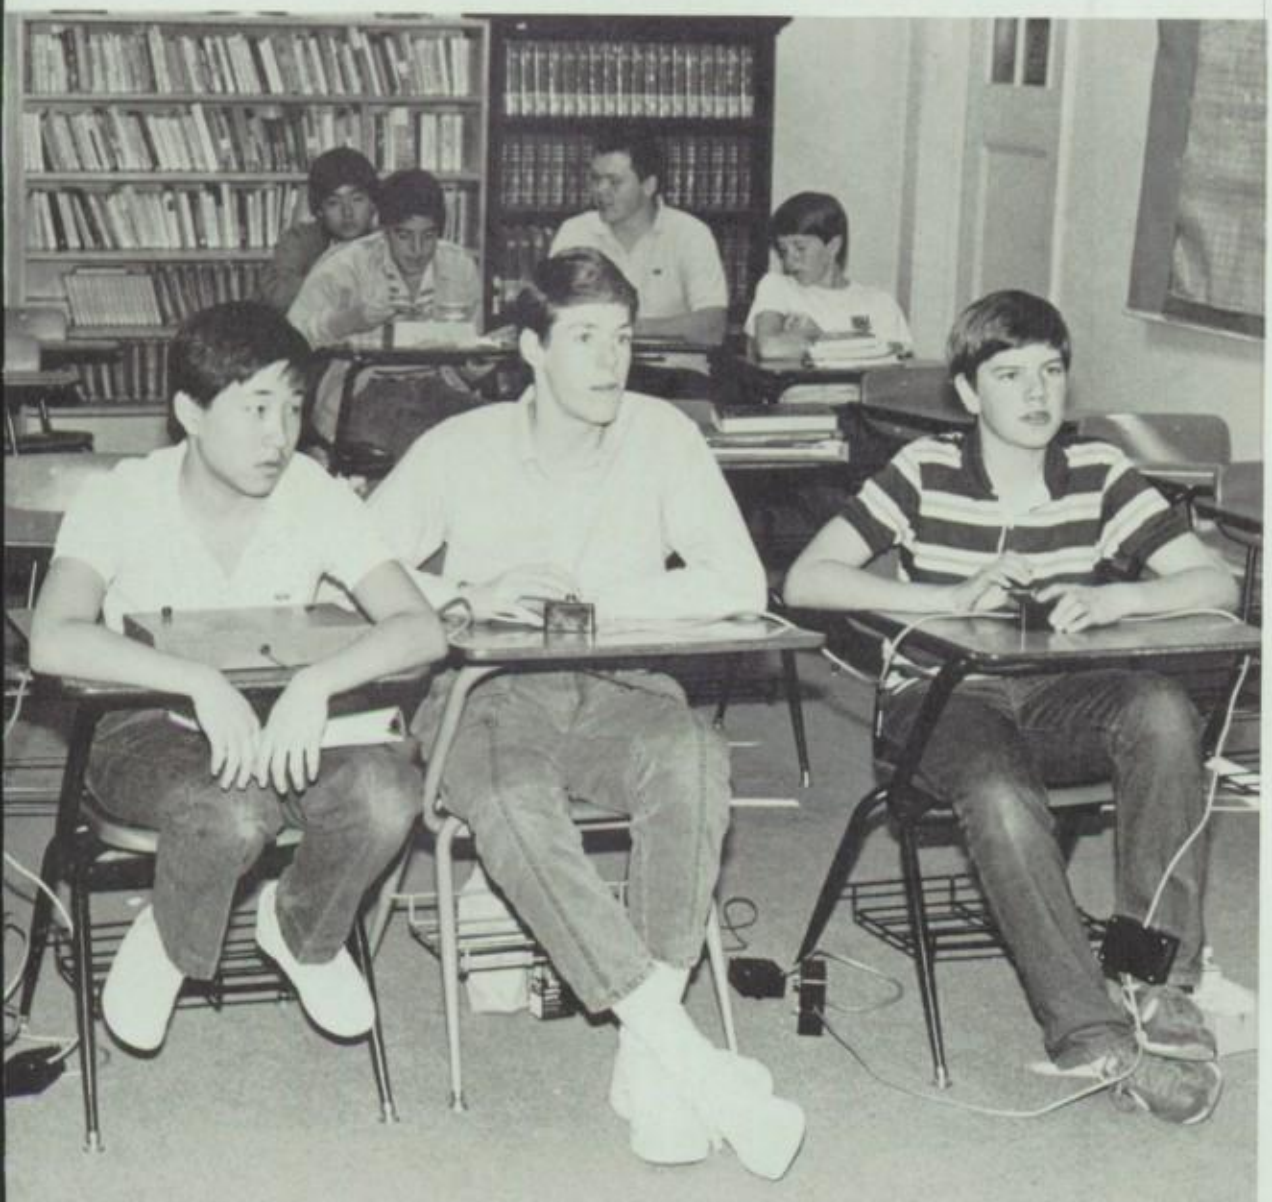
Kiwanis Bowl Members Strive For Excellence



Team members listen intently to the practice questions given.

Beginning in January of 1986, Seven members began meeting to prepare for the annual Kiwanis Bowl competition. These dedicated members met 3 days a week during lunch to practice. Mrs. Gahr and Mrs. Sweet were the academic coaches. There were five on the primary team, they were Jason Angle, Brian Daucher, Jay Lee, Dennis Farmer, and Brian Jones; and two alternates Jeremy Hough and Tony Lee.

The Kiwanis Bowl is a team that competes with other Orange County schools in a variety of categories. Members are expected to have a quick response and alot of knowledge to various questions ranging from History to sports. There are 5 divisions in Orange County, each consisting of 8 schools. These divisions compete in the annual competition, to see which school will then play top teams from Hawaii and Nevada.

BOHS R.O.P.

This years R.O.P., Regional Ocupational Program was very successful. There were more than one hundred students enrolled. The program included working at the mall, Laurel school, and various classes on campus. Many students got alot out of these semester courses such as photography, graphics, and auto shop. Led by Mr. Saulsbury and Mrs. Sage, the R.O.P. is very valuable for credit and work experience.

With huge amounts of paperwork, the ladies in the office still find time to lend a helping hand. They patiently file, stamp, and type all day long, trying to keep their departments organized. While the attendance office is dealing with absences and tardies, the guidance office takes care of any questions about college and credits. These ladies are really great, and we appreciate their helpfulness.

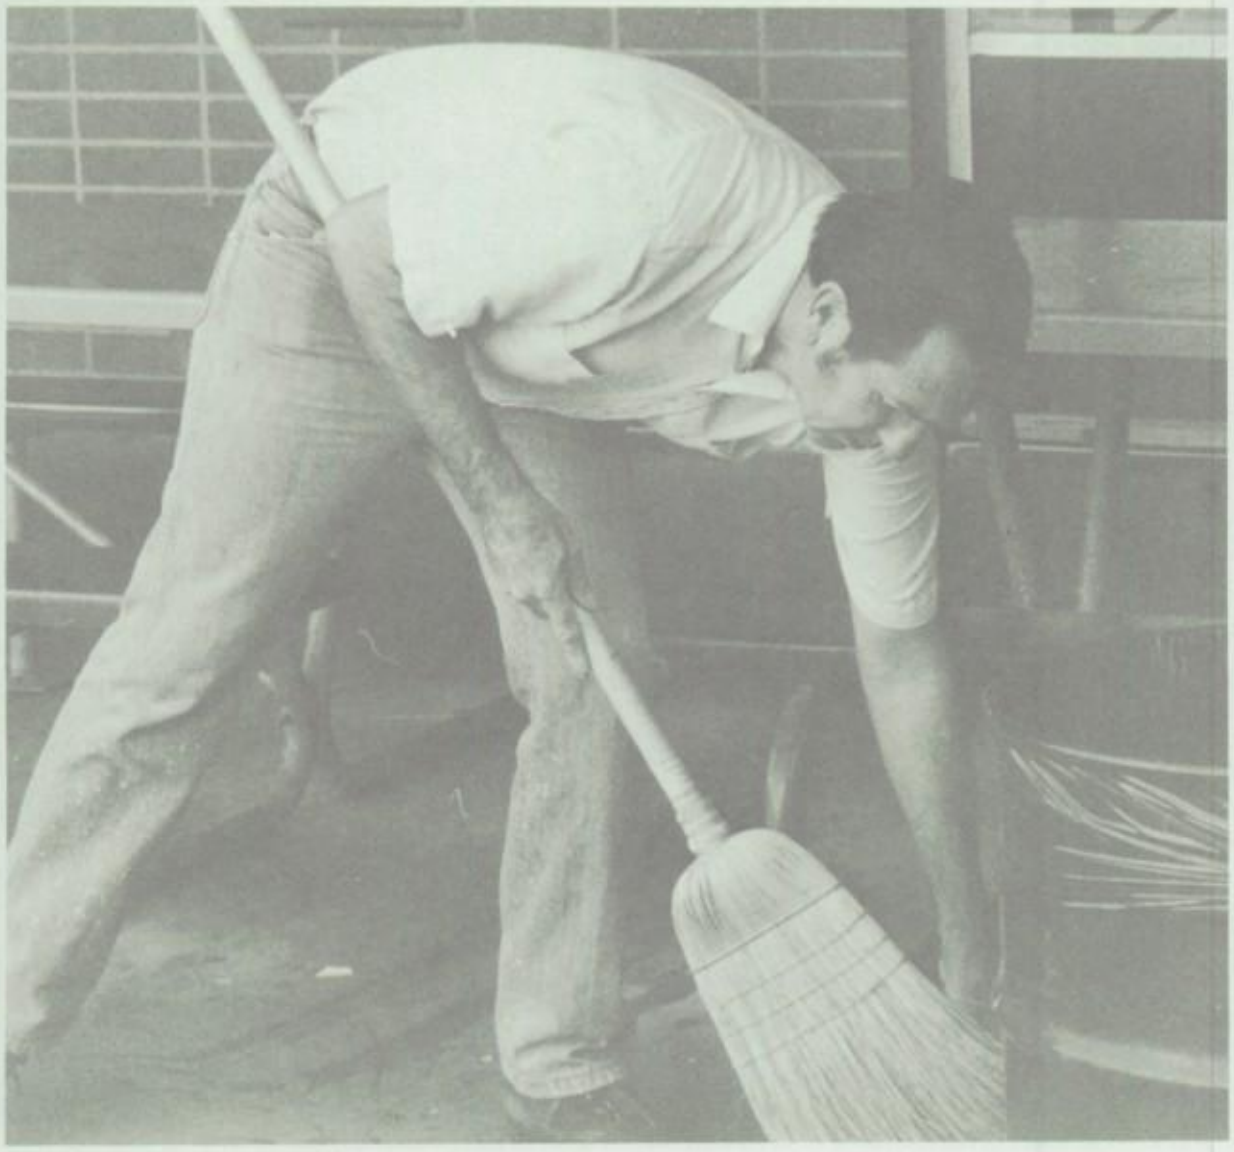
Year after year some of the most important workers on campus are forgotten. They prepare food everyday and patiently wait for the students to dig out that "last dime" out of their pockets. The others clean up our lockers, the cafeteria and just about everything the students dirty. They are the cafeteria workers and custodians.

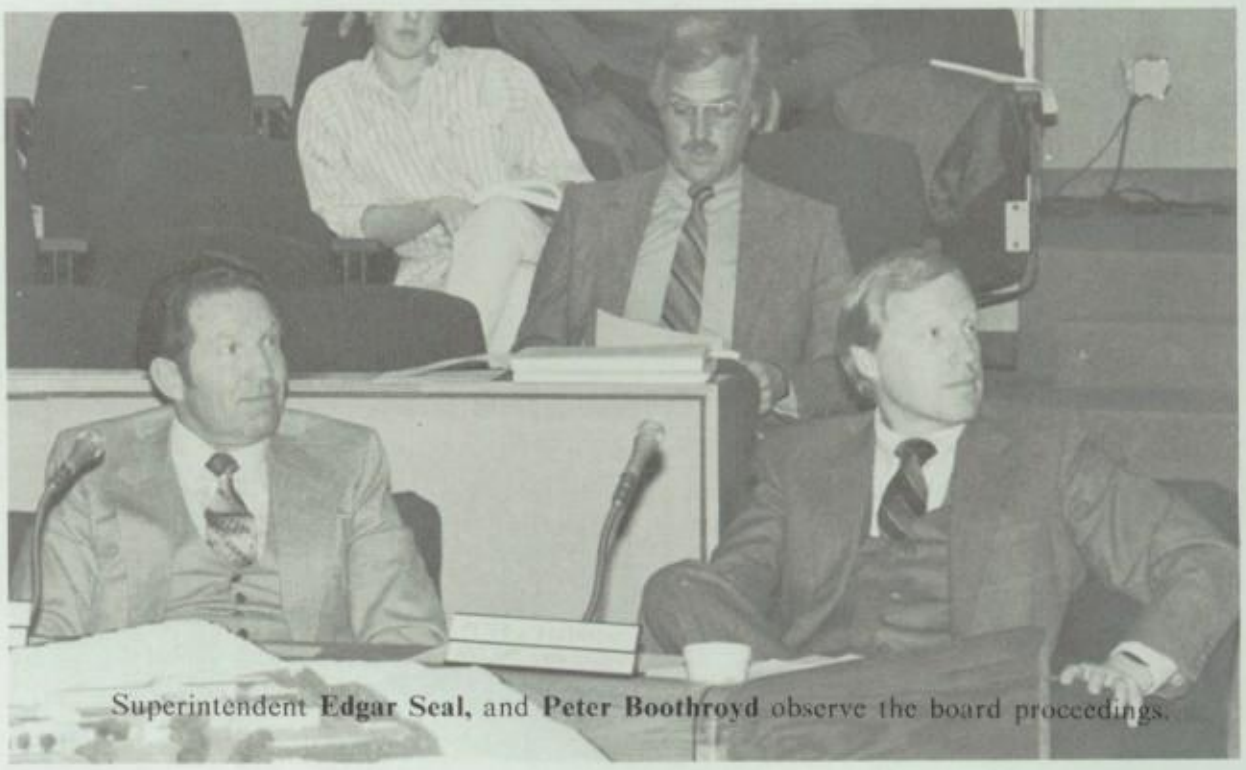
Deciding what to clean up next Don Garling asks Jim Underhill his opinion.

Look who gets to clean up the cafeteria, Donavin Felton.



School Board

This year as always, the School Board handled another tough school year smoothly. Among other problems handled with ease, was the bargaining against a teacher strike. The board took care of the problems we all faced and helped keep the school system running smoothly. To the dedicated members who served long hours on the board to assure that the school system remained running smoothly throughout the school year, goes a well-deserved thank you.

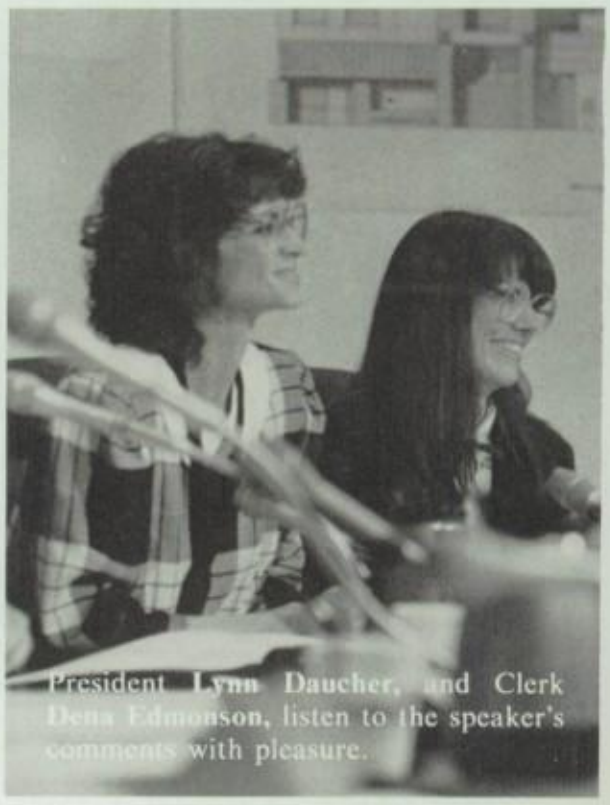


Superintendent **Edgar Seal,** and **Peter Boothroyd** observe the board proceedings.

1986 School Board (L to R:) Brian Burt, Member, John Rosell, Member, Sharon Chase, Vice-President, Lynn Daucher, President, Dena Edmonson, Clerk, Frank Davies, Member, and Sharon Dean, Member

Listening intently, **Sharon Chase,** Vice-President, prepares to add to the discussion.

Debbie Chase, Representative, pays rapt attention to the ongoing discussion.



President **Lynn Daucher,** and Clerk **Dena Edmonson,** listen to the speaker's comments with pleasure.

Administration: Keeping Spirit High

Pat Fox
Counselor

The Administrative Staff, led by Principal, Gary Goff and Assistant Principal, Jean Sullivan, once again helped keep our school running smoothly and our spirits high. Scholarships, college applications, and schedule changes were handled with ease by both Mrs. Fox and Mrs. Sauer. Mr. Tambara led ASB to keep our spirits rising, while Mr. Moe kept attendance high. By working hard, the Administration has once more achieved a more spirited student body.

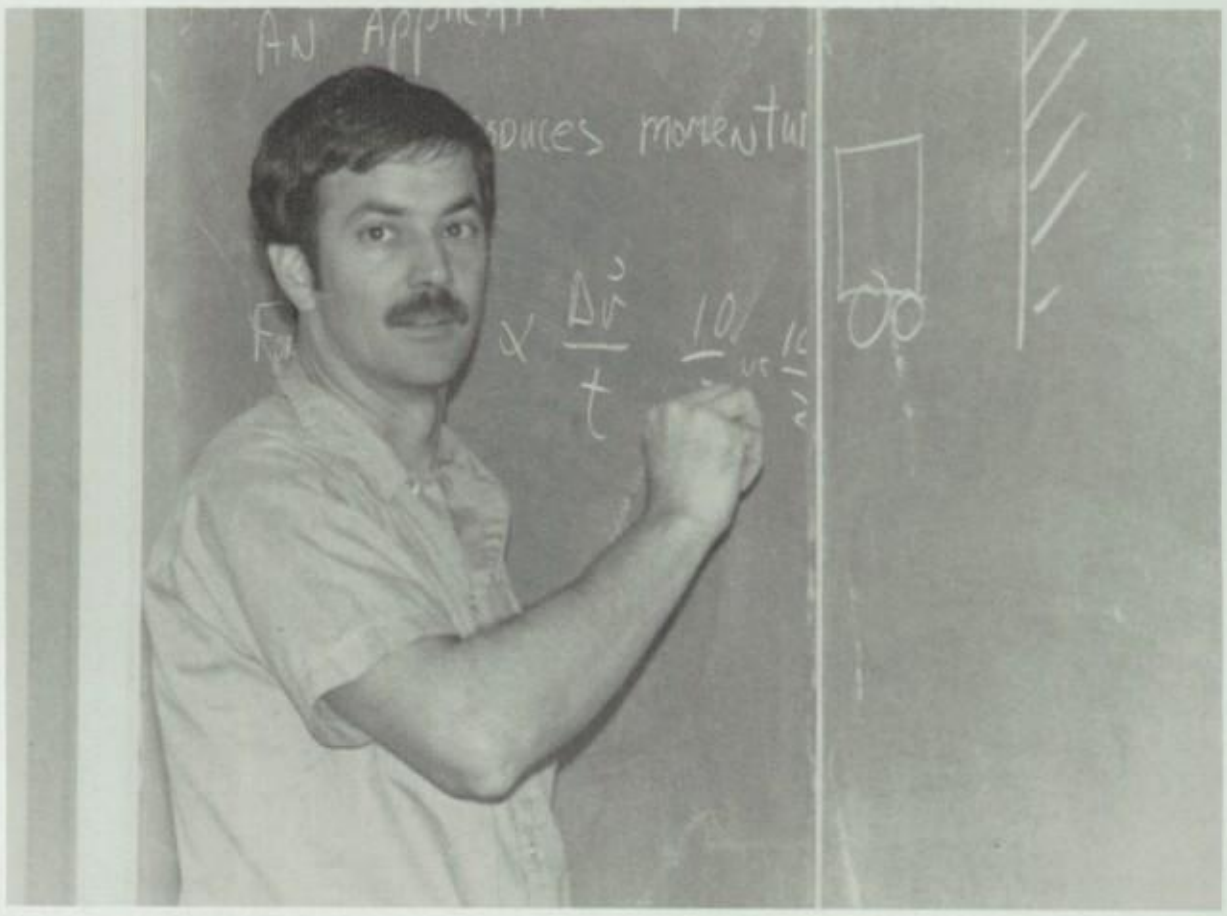
The geniuses in Mr. Bridge's class get younger and younger every year.



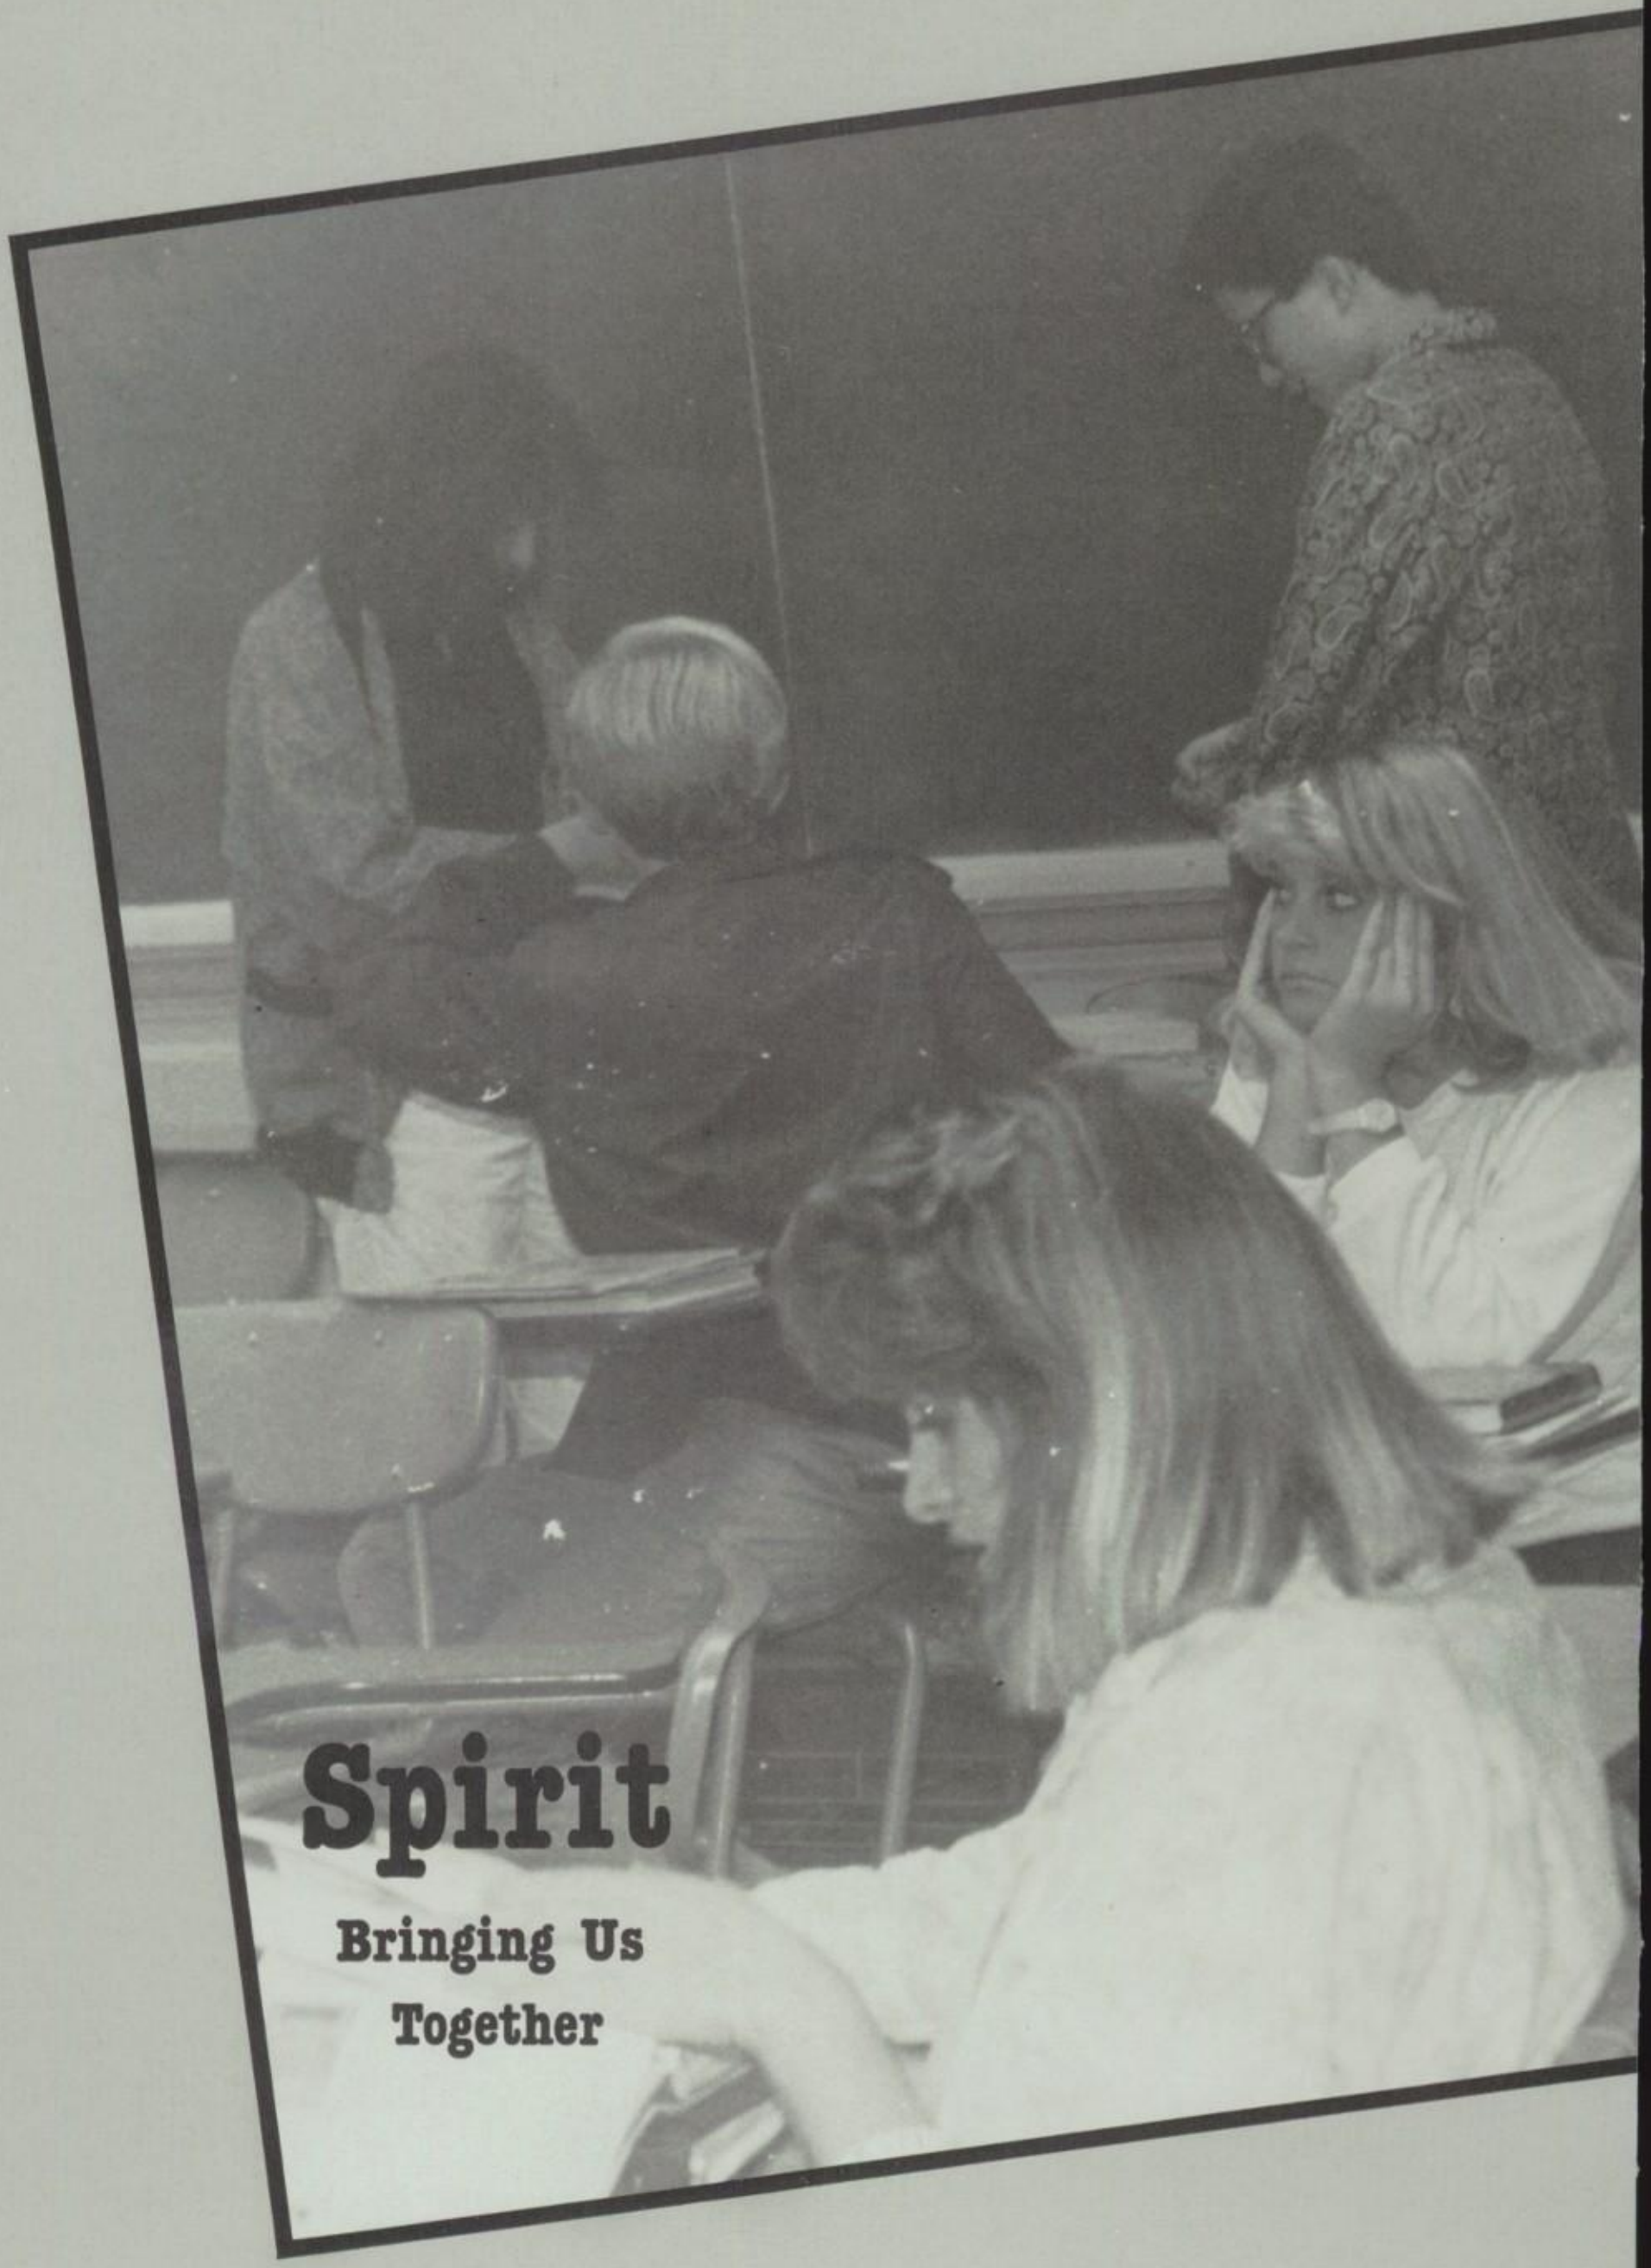
"Who says physics isn't an art?" says Mr. Holst, as he attempts to explain momentum pictorally.

Mr. Thomas demonstrates that precision is the key to a perfect copy.

"Was ist hier denn schon wieder los?" says Frau Little as she quiets down the class.

Guardian angel, Mr. Henderson, advises from experience, "Don't eat the cafeteria food".

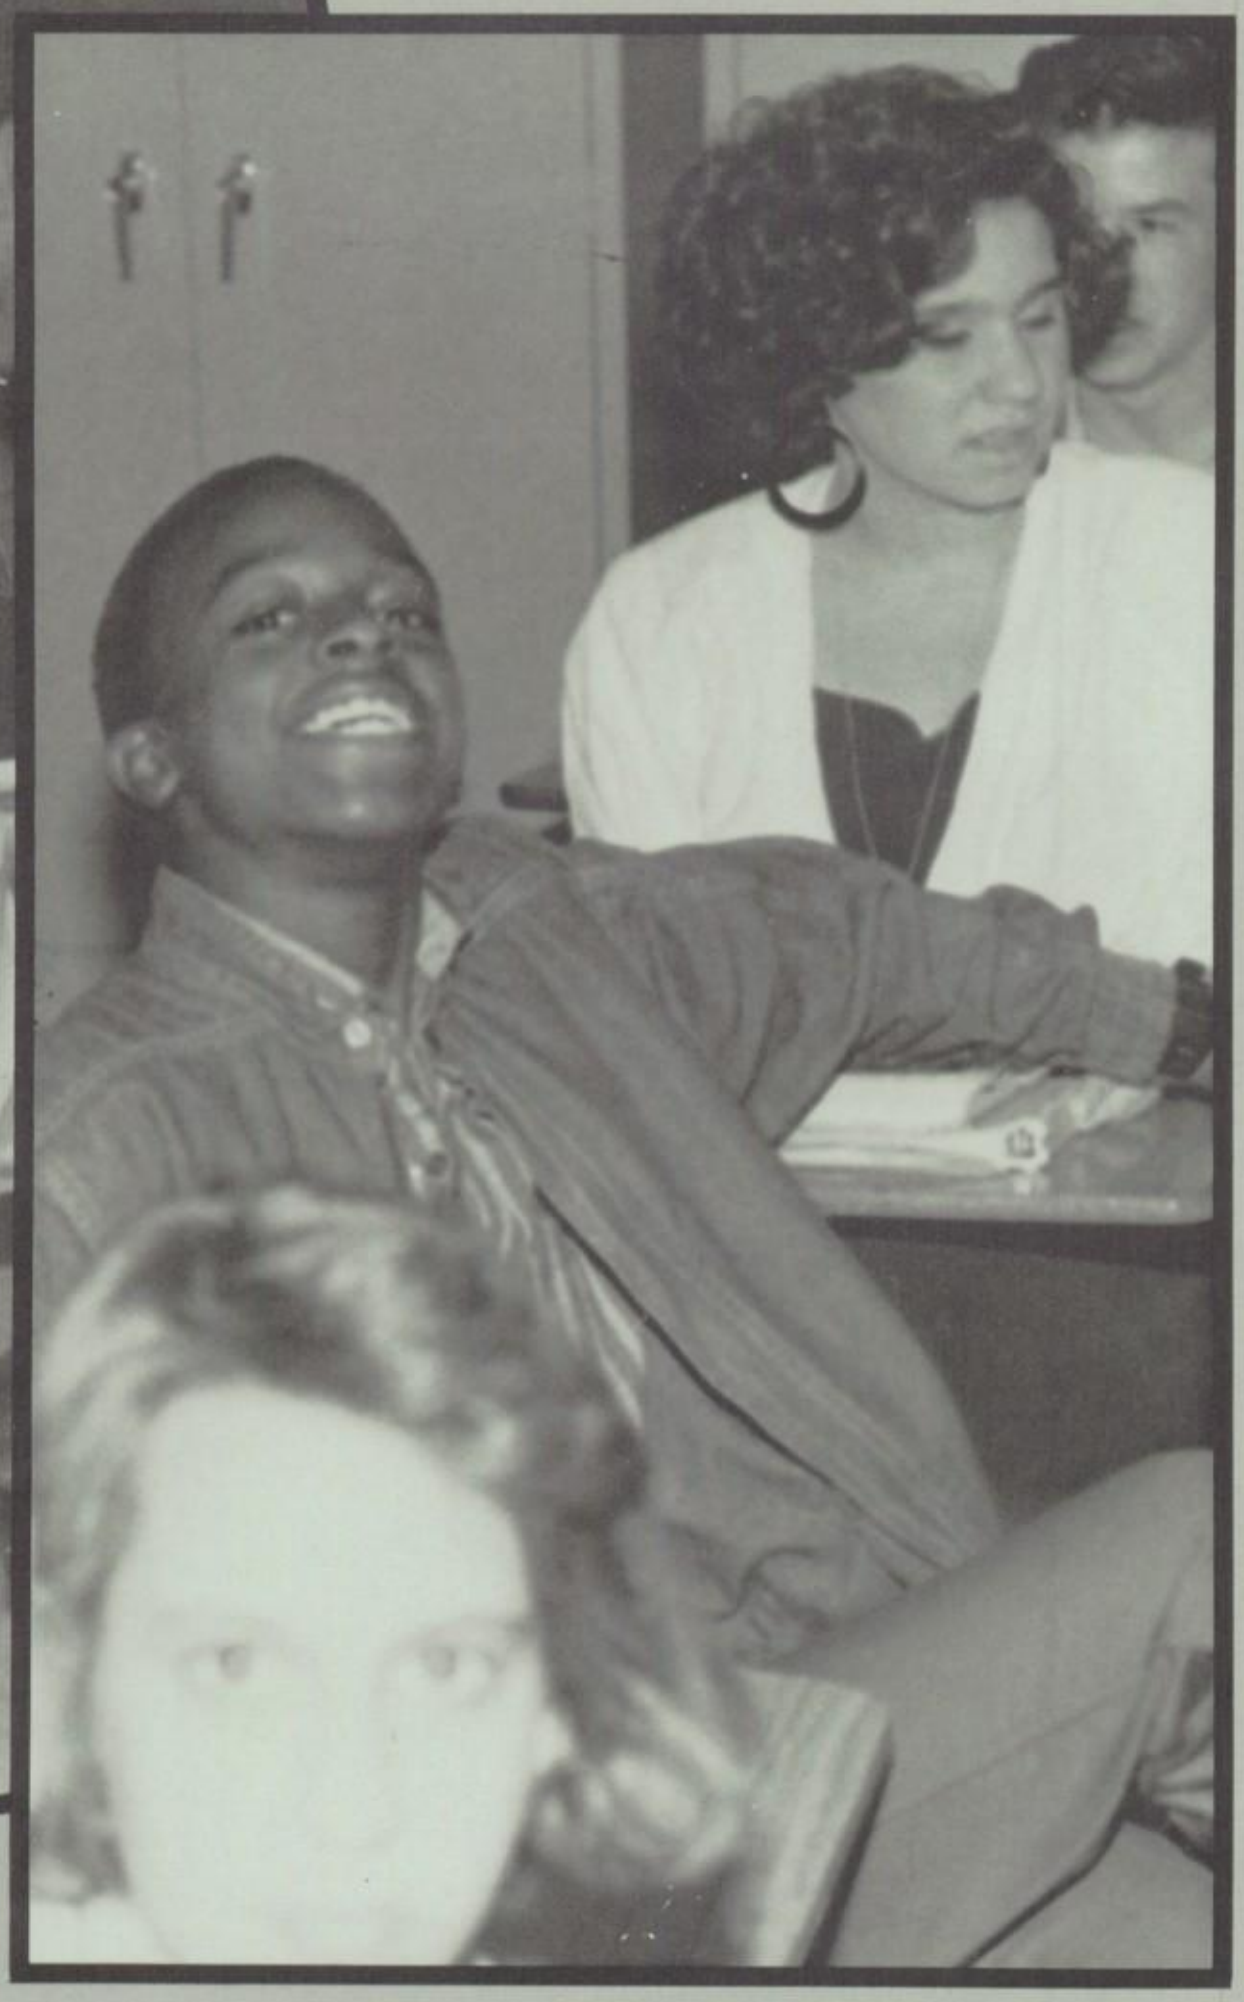
Cool dude, Mr. Wright, says "Hey, man what's up?"



Spirit

Bringing Us Together

Classes



Studying quietly or throwing paper airplanes are some of the ways one may find students behaving in the classroom. B.O.H.S. is filled with all kinds of personalities, and together these personalities create a unique campus. Seniors down to the Freshmen filled the year with spirit with dress-up days, class competitions and fantastic sportsmanship. Everyone in every grade is given credit for making B.O.H.S. what it is today because it takes all kinds to create such a spirited and unique school.

Determination and spirit drove the junior class to a fun-filled year. Under the leadership of President Helene Lefton, many planned activities helped to raise money for the Junior-Senior Prom. By selling Santa pictures, working the snack bar during home football games, and planning a February dance, the junior officers planned to make the 1986 prom the best ever. Thanks to the strong support of the junior class officers as well as the entire junior student body, the year was spent working for a terrific senior year and in the meantime produced many lasting friendships.

THE CLASS OF 1988

No longer Freshmen, the Sophomore class made a strong comeback. Taking part in the 1985 Homecoming parade they took first place, winning money that was then put into the Sophomore treasury. Sophomore officers were: President, David Nevell, Vice President Mona Lee, Secretary Kara Clizbe, Treasurer Robyn Hart, and Representative David Chaffin. They planned many fun activities, and sponsored some of our dances. They also included everyone in everything they did.

The Freshman Class of 1986 directed by Todd Flora, President, and Sally Ortiz, Vice President, were busy organizing various activities to raise money and provide students with some fun. Pizza nights, dances, and car washes proved to be excellent fund raisers and lots of fun! One goal set by the officers this year was getting audience seats for the "Family Feud." Such high aspirations demonstrate the uniqueness of this year's ninth graders. This group of students excells in all areas. They are proud of their past recognition both academically and athletically. With league championships in sports and quiz game records to speak of, they display their many abilities. This year's Freshman Class is a group of students that know their potential. They are striving for excellence.

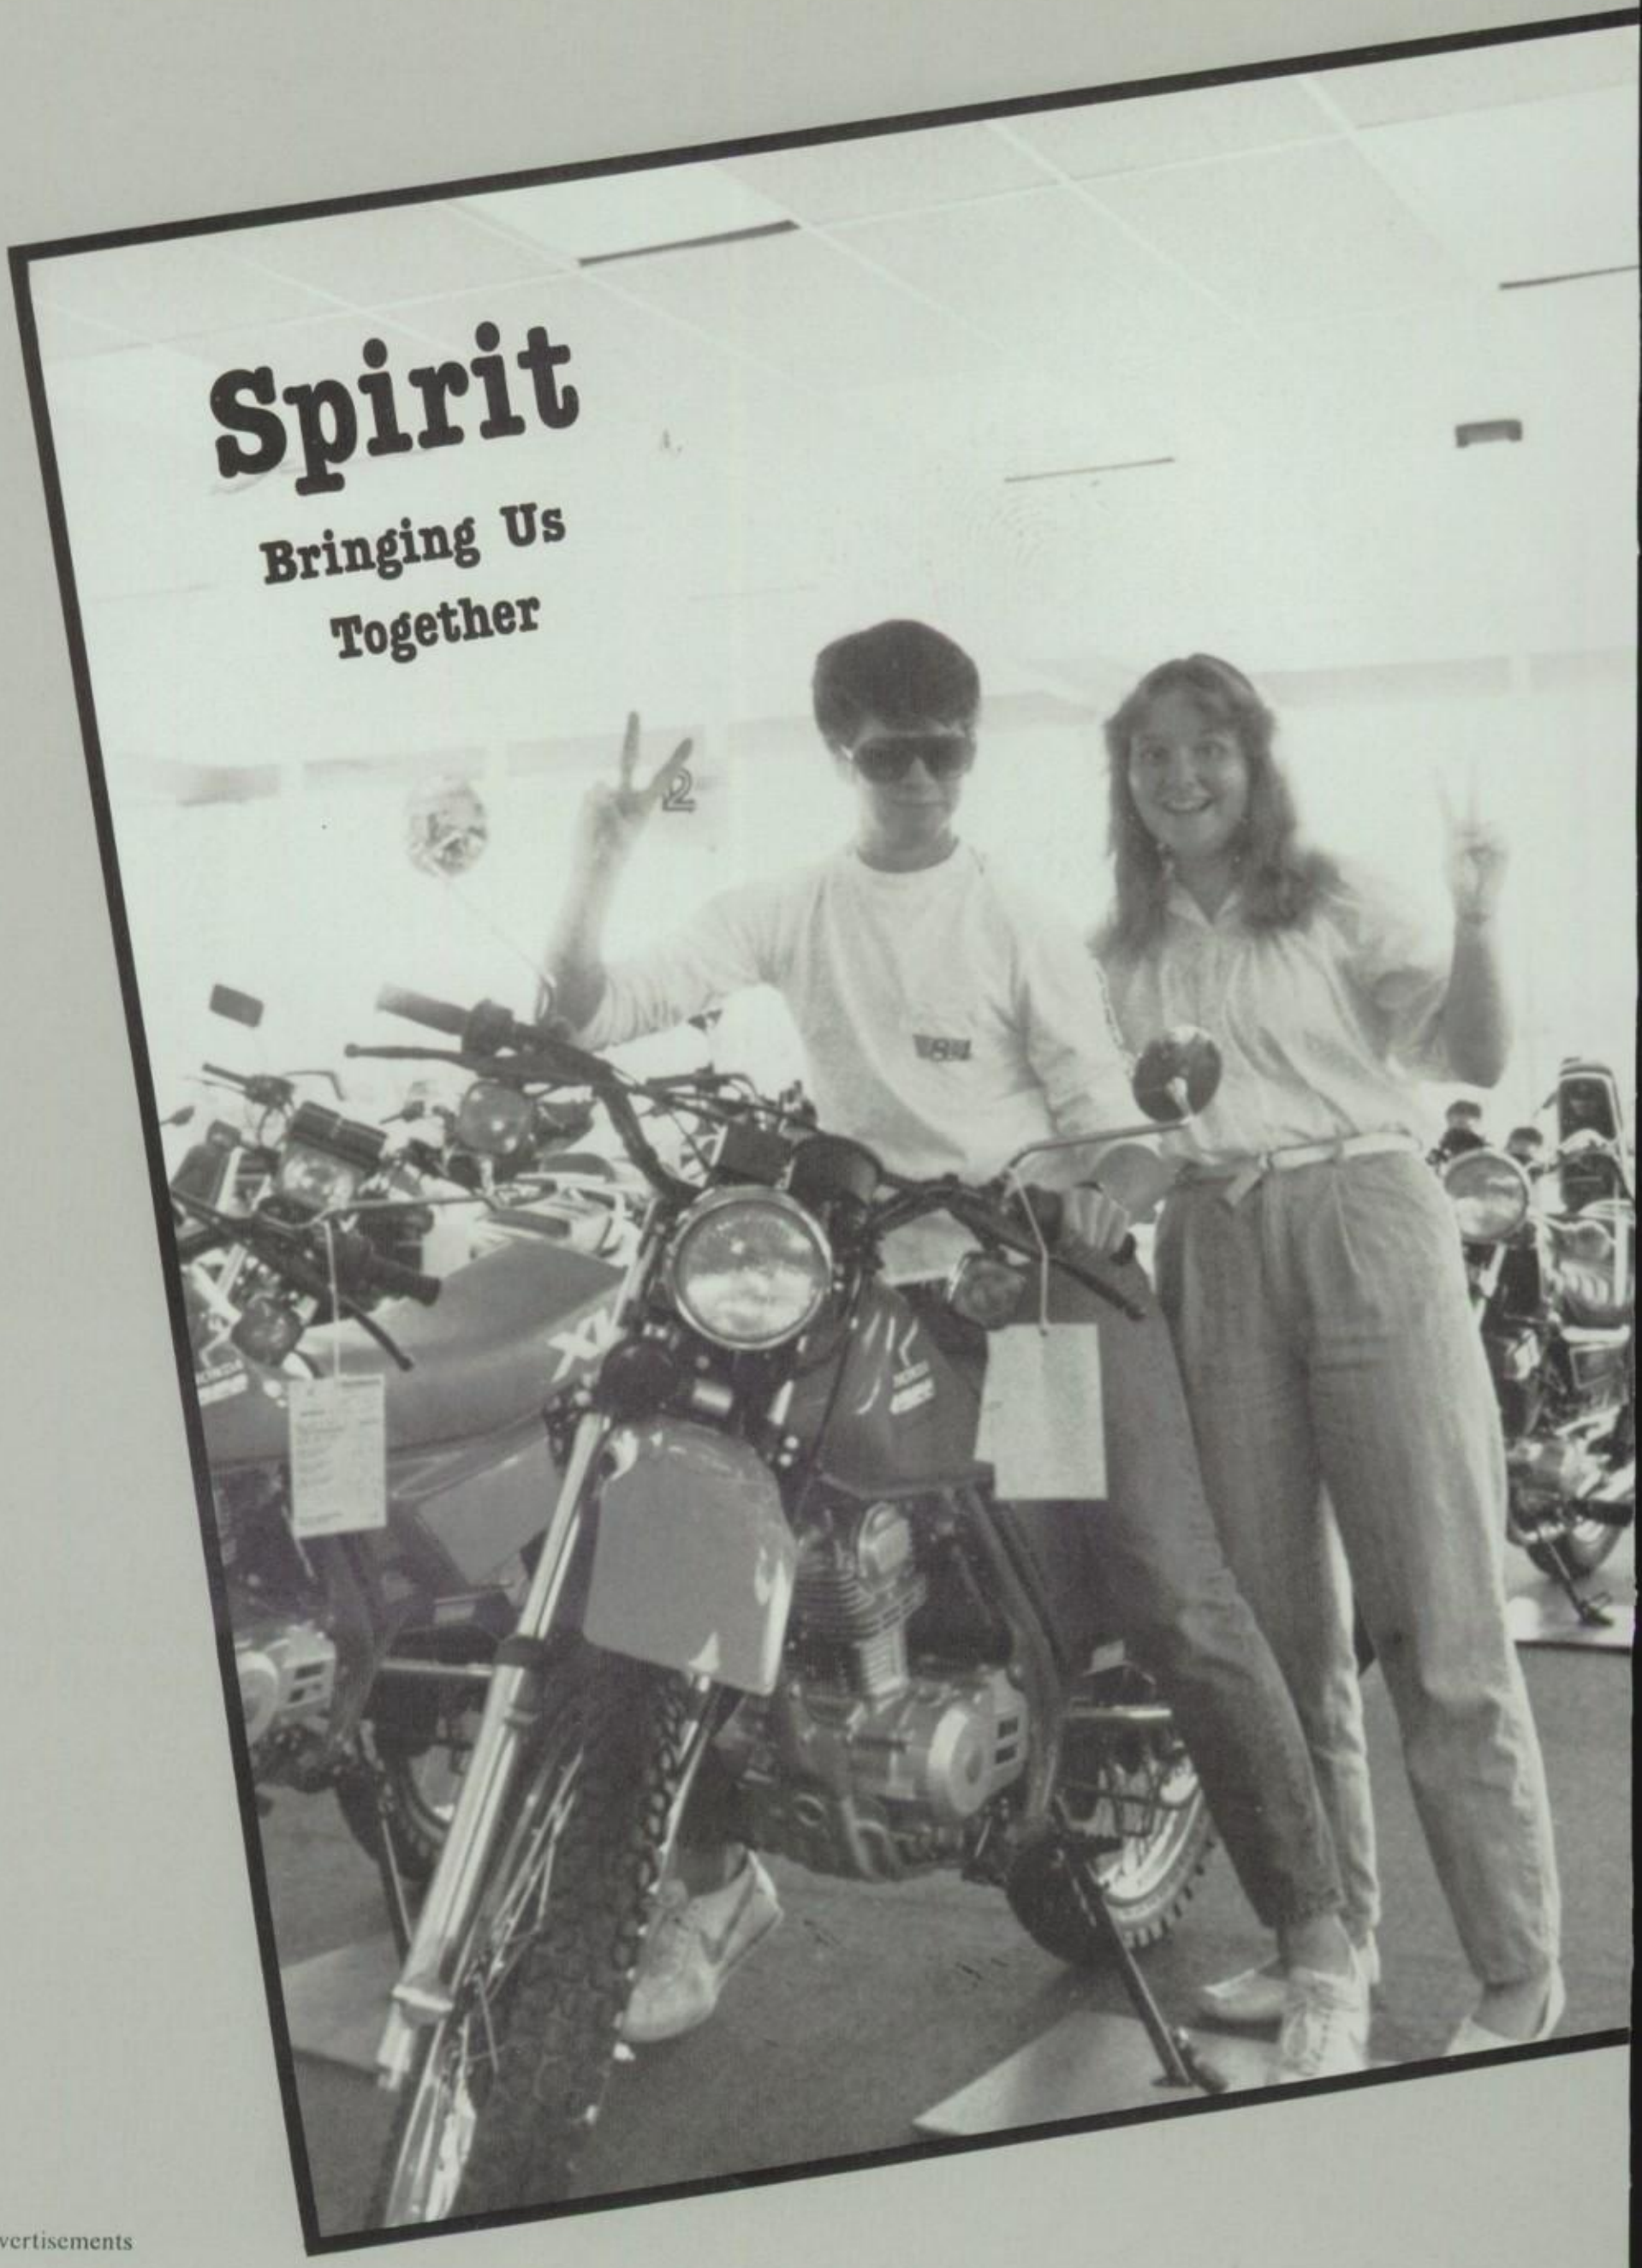
Bringing Us Together



Advertisements

Could you imagine not having enough money for a yearbook? What would we do? Luckily, BOHS doesn't have to worry because we have so much support from the community. Their cooperation really helps us throughout the year. The ads are such an important part of the yearbook, and we really appreciate the community help. We hope the students will show their appreciation by using the advertiser's services.

Dear class of 1986

Taking a wild guess, we bet, that dirty carpets are not on your mind right at this moment. Heavily soiled furniture and drapes will no doubt take even a lower priority on your list of lifes goals. Therefore, this ad may not be much between five and ten years.

But time will pass, it always has, and then you'll be standing in your own living room, with little crumb snatchers and curtain climbers all around. Dirty carpets abound. Dirty carpets abound! Dusty drapes and soiled furniture in every nook, just look! A Gast! STOP!, Remember this ad, Brea has a dirty old carpet cleaner. Adoclean company. The phone number is 529-9004. Good dirty old carpet cleaners are hard to find.

Finally in an effort to determine our future marketing emphasis, would you please fill in the following questions.

1. Most likely to have a batchelor Pad with beverage spills everywhere? _____.
2. Most likely to have eight kids, two ducks, four polliwogs, and dirty carpets? _____.
3. Most likely to be a glamorous Hollywood star spilling make-up everywhere? _____.
4. Most likely to be a high paid Rolls Royce auto mechanic and track grease on the carpet? _____.
5. Most likely to be a professional carpet cleaner?, we need a few good people too _____.

Best wishes for a great life, see you in a few years.

I kept gaining and losing the same 20 pounds. Then I said, this time it's going to be different.
I tried every pill, every gimmick to lose weight. Only to feel miserable when I gained it all back. Finally I said no, never again—*this* time I'm going to Diet Center. I lost the weight, without hunger. And I'm keeping it off.
My only regret? Not going sooner!

Many people were involved with the creation of this book, and I would like to give them some recognition.

Mrs. Gahr, the "Mom" of our yearbook. I really had some wild ideas this year, and I appreciate you letting me try some of them. I also want to thank you for keeping on me, for without your "motivation", a whole lot less would have gotten done. Oh, by the way, I have finally learned the "Don't worry, I'll do it!" philosophy is not the greatest. Thanks Mrs. Gahr.

Ken Love, "Big Photo Man". What would we do without you? I dread thinking about next year without you around. We relied on you so much, so much more than we should have. You always pulled through. From the entire yearbook staff, best of luck to you in the future. (By the way Ken, your page is incredible!)

"Hoot" Gibson, our Jostens Representative. You know, I could see your heart-rate jump up 50 beats a minute when you looked at my ideas. Pretty outlandish? Well, everything came out OK. We didn't go bankrupt. Thanks for being there and correcting and advising us. Oh yea, we ARE going to get shirts, next year!

The Yearbook Staff, the best group of people I could ever hope to work with. You guys were creative, responsible, funny, and a pleasure to be around. You guys adjusted well to my ideas, and you unbelievably tolerated me and my stupid jokes all year long. We should all be really proud of our creation. Thanks so much, all of you.

Sanford Studios, one of the legs that the yearbook stands on. Without your help, there wouldn't be an annual. Thanks for always coming through with the great pictures when we needed them most. Special thanks to all the photographers that put up with us throughout the year.

Our Advertisers, the main support of our book. We appreciate your interest in our school and community.

I want to also thank Mrs. Little for letting me out of second period all those times so that I could take care of "Yearbook Business".

I want to give very, very special thanks to **Mr. Laurry Bishop** for the use of his photo lab. Without your help and cooperation, we would never of have made it.

Lastly, I want to thank my friends for putting up with me when I was in those "irritable yearbook moods" and for listening to all my yearbook problems. But most important of all for just being friends.

Jen,

Hey babe! Well its finally over - our freshman year is almost history (as Nicky would say)! Well, god it went sooo fast! Well I hope next year goes a little slower 'cause Sean's graduating next year! How depressing, huh! Well its been fun! Well the river was a blast, huh! (Nice look - Bunny - Thumper, etc.) That was soo funny! Well I think I'll always ♡ Mike Coleman (Face) and I know you'll always ♡ Mike Onjiminski (Body) or should I say "lust"! Well we gotta do it again! August is only 3 months away - oooh baby! Well you sure have taught me alot this year and I hope I learn more next year! You're been a damn good shrink - girl! I know I haven't done too good at being your sex therapist but you know how it goes! Well I wish Tracy didn't love Eddie so much because I'm really in love with him! I'm totally serious! And Matt baby too but since he's sleeping on the couch! I swear he'll never learn! But then Kevin couldn't teach him much because he's too involved with his "beachball"! Well this summer Matt's gonna learn! If I have to die first then he'll learn, I swear! Well Tony's a doll but I doubt it would ever work! Well Greg's signing mine right now so eat your heart out Lor.===!! Well I can't really think of anything to say but I know there's lots more! Well you better keep in touch this summer - not like last summer! We're gonna have a blast at the beach and then the river! Oh god - I can't wait! Well we'll have to try not to break too many hearts this summer! It's gonna be tough but we can do it! Well I gotta jam!

I ♡ MATT GOODELL & EDDIE GARCIA!!! 4-EVER ♡ ya lots & lots,
J ♡ SHON AND EVERYONE ELSE! Shell-bell!

Hey. I'm glad we got too be better freinds this year. I hope during the summer & next year we could become even better freinds. well todays Friday the 13th & my Best freind & I hate each other so todays been a least. I wish me-n-Shelli can become freinds again but I don't know what she thinks about it. well we have to go to the beach & pick up guys. You can have them all. I'll stay w/ Eddie. well see ya in the summer K. Call me all the time.

Love ya Tracy Valko

I ♡ addie Garcia 4 ever & ever & ever

Jennifer-

Hey babe, my darling lover. it's been a fun year and you've been so nice to me. I mean you listen to my problems and deal with me when I'm being a real asshole I know I've been mean to you sometim but it's only cause I love you. I hope you have a rad summer I know I will. you have to get as tan as me (that's a joke okay) don't get into too much trouble I know I will. Keep lifting and get that lady buff. Me your and Cary should go lifting this summer and you can show us that awesome body of yours. Stay cool and stay nice. OH yea call me this summer or else. Don't ever go for Ted O.K Arnold Jams see ya later cutie Love, Laura

NO MORE PURSLEY YEAR!

Jennifer,

I decided to take up some space on this empty page. Anyway, you never no what to write after having known you since Kindergarden. So how's it been. I really haven't seen you A LOT this year. But it was fun. Ask me if I care! Enough of that. Have you settled down on one guy yet. I Hope so. I never no what to write so call! Have fun + get a great tan for me.

Laura

Bye-Bye
Jenny

Jenny or Mrs. Gooch or Ms. Olympia
whatever you prefer. So hows it going
Muscles. Do you still want to become
a female bodybuilder, and take steroids.
which turns you into a guy. I hope
not. Well you're a cool freshman
and I hope you dont come to
School as much next year
Love Jen

Jen,
We've been friends for a really long time! We've gotten in fights but we've always cleared them up! I hope we stay friends for a long time.

Love,
Randy

Dear Jen,

We've known each other a long time, haven't we? We've always been good friends (3) ~~[illegible]~~ a long time. We've had a lot of fun together. I love you!
